Soviet-Chartered Ship Is Boarded For Inspection Off Nassau; Allowed To Go On

WASHINGTON (AP)—A U.S. Navy party boarded a Russian-chartered Lebanese freighter today and reported more than two hours later that no offensive weapons material was aboard.

The freighter, Marucla, was permitted to sail on for Havana with a cargo described at 12 trucks, sulphur, paper rolls and parts for trucks.

Assistant Secretary of Defense Arthur Sylvester told a news conference that the Navy had received a message saying that the boarding party was returning to the destroyer Joseph P. Kennedy at 10:20 a.m. (EST). The message reported that "no prohibited material" has been found on board.

The message said all the Marucla's papers were in order and the boarding party had obtained a copy of the cargo manifest.

"Cargo 12 trucks deck loaded," the message said. "All holds loaded to capacity. No passengers."

The stopping of the Marucla was the second interception announced and the first reported boarding by the Navy since it clamped a quarantine on Communist arms shipments to Cuba Wednesday morning.

The Marucla, which Sylvester said was listed in Lloyd's Shipping Registry as a British-owned World War II Liberty ship, was given permission to proceed on a course for Havana.

LEBANESE FLAG

The vessel reportedly flies a Lebanese flag.

The boarding party, of undisclosed size, went aboard the Marucla, assisted by tracker aircraft at 6:50 a.m. (EST) 180 miles northeast of Nassau in the Bahamas.

CONTACTED AT NIGHT

Sylvester said that the destroyer John R. Pierce set out at 2 p.m. Thursday to intercept the Marucla, assisted by tracker airplanes.

The Pierce made contact about 10:30 p.m. Thursday and was joined by the destroyer Joseph P. Kennedy after midnight. The Kennedy was named for the President's brother, a Navy flier killed in World War II.

During the rest of the night, the Marucla headed on a south-southwest course at 12 knots, Sylvester said.

The freighter informed the Pierce that she had a cargo of sulphur, paper rolls, and truck parts. The destroyers trailed the Marucla by about two miles under orders to stop her and board at first light.

DOZEN TURN BACK

The Defense Department announced Thursday that at least a dozen Soviet vessels had turned back "presumably because they might have been carrying offensive materials."

This apparently left about 13 Communist cargo-type ships still on course toward Red Cuba. Secretary of Defense Robert S. McNamara had said just after President Kennedy ordered the blockade into effect that an estimated 25 Communist vessels were moving toward Cuba.

"Most of the ships the Navy is interested in have turned around," one government official said.

It was indicated that among the dozen Red ships diverted from Cuba was one identified by informed authorities as the Poltava.

Three days ago, the Navy was

Sell Bronze, Silver Medals For Lincoln Observance

With the approach of the 99th anniversary of Lincoln's Gettysburg Address, local stores will display and offer for sale the Lincoln Gettysburg Address medal in bronze or silver officially designated by the Gettysburg Centennial Commission.

The Lincoln medal has been acclaimed by critics and collectors throughout the United States as one of the finest works in the field of medallary art that has been produced in this country in this century.

The reverse side of the medal is a portrayal of Lincoln and other dignitaries during the delivery of the martyred president's address.

However, it is on the reverse side of the medal that the noted American sculptor, Philip Kraczkowski, put his primary effort. Here the well known words of Lincoln "the world will little note nor long remember, what we say here, but it can never forget what they did here," is symbolized by portrayal of the Barlow-Gordon incident. In this portrayal the sculptor captured in its entirety the fundamental humanity that prevailed among Americans and was practiced many times over during the four-year war that is recorded as one of the most bitterly fought in history.

The Lincoln Address medal is the second officially issued by the Gettysburg Centennial Commission. The first portrayed the Battle of Gettysburg and was issued about one year ago. The Lincoln Address medal was produced in midsummer and is destined to become, like its predecessor a collector's item.

The bronze medal retails at \$4 and the silver medal sells at \$30.

County President At S.S. Session

James D. Shaffer, York Springs R. 1, president of the Adams County Sunday School Association, went to Philadelphia Thursday to attend the opening sessions of the three-day centennial anniversary convention of the state Sunday School Association.

He will be joined there Saturday by 45 young people and 17 other adults who will go to the convention city by bus for Saturday, Youth Day. The buses for the trip are being provided by the county Sunday School Association.

Mrs. George Stock New Oxford R. 1, and Miss Edna Breighner, Gardners R. 2, members of the commission on youth work for the county association, will be in charge of the county delegation of young people Saturday.

Robert Philip Liller, Taneytown, and Holly Marie Jones, Emmitsburg, have secured a marriage license in Frederick.

YOUTH PLAN SALE

The Gettysburg Youth Center will hold a bake sale Saturday on Lincoln Square. Jeanne Bowling and Lynn Schwager are co-chairmen for the sale.

Chinese Reds Plunge Deep Into India On Two Fronts

By HENRY S. BRADSHAW
NEW DELHI, India (AP)—Chinese Communist troops were attacking on two new sectors of the northeast border today, plunging deeper into India as Prime Minister Nehru's government prepared for a long struggle.

On the western front, in Ladakh, the defense ministry said the Communists were hurled back in an attack on Poet, a few miles from Chushul, where India has its only airfield near the battlefield. The fall of Chushul would be a severe blow to India's thin supply lines in Ladakh.

Radio Peiping claimed Indian attacks were repulsed both on the northwestern front in Ladakh and on the northeast front about 1,000 miles to the east.

Floral Expert To Give Lecture At Biglerville

Mrs. Henry Kistner, international authority on 18th century flower arrangements, will be the guest speaker at a meeting of the Biglerville Garden Club Tuesday evening at 8 o'clock in the Biglerville High School auditorium. She will present a program on "Holiday Arrangements." The lecture and demonstration is open to the public.

Mrs. Kistner, a well-known American lecturer and author of "Flower Arranging for the American Home" now in its fourth printing is widely sought for her experiences in decorating for weddings, receptions and international teas and other functions. Her formula for preserving materials used in floral arrangements is used widely by arrangers. She has lectured before garden clubs and state horticultural societies throughout the U.S. and was a member of the summer faculty at the University of Southern Illinois last year.

A blue ribbon and tri-color winner at international flower shows Mrs. Kistner always illustrates her lectures in full view of her audience.

WIDELY SOUGHT

She has done decorations for the Duke and Duchess of Windsor, Mrs. Dillard Reynolds and Mrs. Bryant Foy. She was selected by the Gardner Club of Virginia to decorate for a tea given at the Woodrow Wilson birthplace for Mrs. Cordell Hull, Mrs. Wilson and Lady Astor of London. She also decorated "Blowing Rock," summer home of Mr. and Mrs. Charles Cannon, Concord, N. C., when they entertained Sir and

PARENTS DAY CHAIRMEN

Edward J. Kuhn Jr., president of the Student Council of Mount Saint Mary's College, Emmitsburg, today announced the selection of Michael J. Healy, junior, Ridgewood, N. J., and Richard J. Higginson, junior, Richmond, Va., as co-chairmen of the Parents Day to be held at the Mount next spring.

Above is a reproduction of the poster which is being widely distributed throughout the area following the brutal slaying of Mrs. Kermit Paxton in her home near Gardners Wednesday. The announcement is translated into Spanish because the posters are being posted in the migrant camps in the county.

Red Cross Calls For Volunteers

The Adams County chapter of the Red Cross issued a call today for the names of Red Cross-trained nurses' aides who are available and will volunteer for emergency duty.

The Red Cross hopes to compile a list of volunteers for emergency duty that will exceed the present rolls of active nurses' aides in the county.

Meanwhile another call was issued for women interested in taking a new course in nurses' aide training to be offered at the Warner Hospital. Executive Secretary William McCrorie urged women who have secured application forms to complete them and turn them in so that plans may be completed for the class. The course is open to girls and women from 18 to 55 years of age.

SMALL GAME SEASON OPENS ON SATURDAY

A small army of several thousand hunters is expected to be aboard in the fields and woods of Adams County Saturday for the opening of the annual small game season.

Reports from the Pennsylvania Game Commission indicate that while there probably will be quite a bit of game waiting for the hunters in the county, the available game population is at least slightly lower than last year.

The report shows rabbit population "down five to 20 per cent in Adams, Juniata and eastern Perry Counties."

FEWER SQUIRRELS

Pheasant population is reported as down 10 per cent from last year in northern Adams County but "the same as last year" elsewhere in the county.

Grouse numbers are reported "same as last year" here. Squirrels may be fewer here this year. While the state report does not list figures on squirrel population for Adams County, it reported that squirrels are "the only dark spot in a generally bright outlook for the small game season. Thirty-seven districts have reported fairly heavy declines in squirrel numbers. The heaviest decline has occurred in the mountains of northcentral and southcentral Pennsylvania where failure of acorn and most crops in recent years has had a major effect on squirrel population."

Throughout the state more than 1,200 law enforcement officers of the Game Commission will be on duty Saturday, along with 240 field officers of the Fish Commission.

James Tipton, Lutheran Seminary student, will be the teacher for the Men's Bible Class at St. James Lutheran Sunday School here on Sunday morning at 9:30 o'clock.

Archer Breaks Back In Fall From A Tree

Glenn M. McCauslin, 23, Biglerville R. 1, suffered severe back injuries at 9:55 o'clock this morning sustained when he fell out of a tree near Huntsdale where he had gone to hunt deer with a bow and arrow. He is the son of Mr. and Mrs. William McCauslin, Wexville, and is married.

Fred Arnold, Biglerville ambulance driver who brought McCauslin to the Warner Hospital, said the young archer told him he had shot a deer from a tree and was about to shoot the second time when the limb on which he was sitting broke and he fell about 20 feet to the ground. He does not remember how he reached his car and drove home, a distance of about 18 miles.

Hospital attendants report that he suffered fractures of the back and left wrist. He is listed in satisfactory condition.

Will Compete In Tractor Contest

Robert Spangler, son of Mr. and Mrs. Levi Spangler, Gettysburg R. 4, will compete for the opportunity to participate in the state contest at the Pennsylvania Farm Show in January on Saturday at Pottsville. A state champion tractor operator for 4-H is selected at the farm show each year. Twelve counties' contestants will compete Saturday.

Contestants entering the district contest must have satisfactorily completed work in tractor safety, care and maintenance and gained experience in servicing and operating a farm tractor. Each contestant will demonstrate his ability in each of the areas of the contest. The boys will have a written examination also.

Trouble shooting consisting of finding 10 unsafe and maladjusted parts on a tractor and demonstrate operating skills with both a two and a four-wheel vehicle attached. Skill in maneuvering a rugged course, safety precautions and time required will determine the score. The boys with the lowest score wins.

The three best scores will be eligible to enter the state contest at the farm show in January. The winner at the farm show will be eligible to participate at the eastern states' 4-H tractor operators' contest at Richmond, Va.

IN AUTO CRASH

'63 SEMINARY STORY RETOLD ON THURSDAY

The story of the fighting in the seminary area during the Battle of Gettysburg was related Thursday evening at a meeting of the Gettysburg Civil War Round Table at the Old Dorm on the seminary campus.

President George Olinger presided at the session at which the members explored the structure now being restored by the Adams County Historical Society through a fund-raising project.

The round table group was told that seminarians used the cupola atop the building to watch the approach of the Confederate army prior to the arrival of Buford's Union Cavalry to the site on the evening of June 30, 1863. Through telescopes they could see Confederate units in the Cashtown area.

OBSERVATION POST

On the morning of July 1, 1863, Gen. Buford used the cupola to observe the battle and he was there when Gen. Reynolds arrived on the field. The observation from the tower continued into the afternoon of July 1 when the falling back of the 11th Corps in the Biglerville Rd. area was observed from the site.

The Union army retreated and the Confederates used the "Old Dorm" as a hospital. Union wounded had also been placed in the building during the early hours of the battle. During the remainder of the battle the cupola

Thant Begins Talks With U.S., Russia And Cuba To End Missile Bases Crisis

By TOM HOGUE
UNITED NATIONS, N.Y. (AP)—Acting Secretary-General U. Thant opens talks with the Soviet Union, the United States and Cuba today, hoping to set up negotiations to end the Cuban crisis that has frightened the world.

While both Moscow and Washington lifted some of the world tension by agreeing to preliminary talks, the United States continued its blockade of Cuba and kept up its demand for removal of Soviet missiles from Cuban soil.

Moscow Radio announced the Soviet Union's strategic rocket troops have been ordered on a state of increased combat readiness.

Premier Khrushchev's conditional acceptance of Thant's negotiation proposal was seen by Western diplomats in Moscow as preparation for him to appear before the United Nations. They

Laboratory Tests Show Slain County Woman Had Been Sexually Attacked

State police today continued their search for the person who murdered Mrs. Rosalie Isabella Paxton, 40, at her ranch-type home near Gardners Wednesday afternoon at 2:30 o'clock.

Dr. C. G. Crist, Adams County coroner, said a laboratory examination conducted as part of the autopsy into the death showed that Mrs. Paxton had been sexually assaulted at the time of the murder.

Ten officers under the direction of Sgt. Robert Smith, of Harrisburg, and Sgt. David K. James, head of the local barracks, were sifting today through numerous tips and clues uncovered during Thursday's search for the murderer.

Posters announcing the reward of \$1,000 offered by the family of the slain woman have been posted throughout the area. It is printed in English and Spanish, in the latter language because the posters have been scattered throughout the migrant camps in the area where the Puerto Ricans speak Spanish.

HAD BEEN ATTACKED

The poster states: "An aggregate reward of \$1,000 will be paid to any person or persons, not connected with law enforcement, who first furnish that information which leads to the apprehension, arrest and conviction of the person or persons responsible for the death of Rosalie Paxton, shortly after noon on Wednesday, October 24, 1962, at a point approximately one mile north of Aspers in Menallen Twp., Adams County, Penna."

"Any person having information is requested to contact Gettysburg Substation, Pennsylvania State Police, Telephone No. Gettysburg 334-1119, or Daniel E. Teeter, District Attorney of Adams County, 44 Baltimore Street, Telephone 334-2195, Gettysburg, Penna."

Rev. Dr. Donald Russel Heiges, son of Mrs. Dale Heiges, Biglerville, a graduate of Gettysburg College and the Lutheran Theological Seminary, will be inaugurated the ninth president of the seminary in "The Festival of the Reformation" next Wednesday afternoon at 3 o'clock.

Rev. Dr. Paul R. Clouser, president of the board of directors of the seminary, will be the installing officer.

Delegates will be registered from 8:30 until 10 a.m. to be followed by a symposium: "Theological Education in the Lutheran Church in America" in the Church of the Abiding Presence.

Following a noon luncheon in the refectory the academic procession will form at the library and administration buildings. After the inauguration there will be a reception for President and Mrs. Heiges in the refectory.

OFFICIALS at the service will include: Service: Rev. Francis Reinberger of the seminary faculty.

Old Testament lesson: Dr. Dwight F. Putman, president of the Central Pennsylvania Synod. New Testament lesson: Rev. Dr. J. Frank Fife, president of the Maryland Synod.

WIN SCHOLARSHIPS

Philip J. Murphy and Walter J. Robinson Jr., seniors at Mt. Saint Mary's College, Emmitsburg, have been awarded scholarships by the Connecticut chapter of the alumni association. Murphy is the son of Mr. and Mrs. Charles J. Murphy, Middlebury, Conn. Robinson's parents are Mr. and Mrs. Walter J. Robinson, Darien, Conn.

While robbery was still considered a possible motive, there was less consideration given to that aspect, according to Dr. Crist who said that Mrs. Paxton's watch and two rings were still on the body when it was found. A large diamond ring was in a drawer.

FOUGHT ASSAILANT

Mrs. Paxton apparently struggled with her assailant Dr. Crist said. There was an abrasion on her knee "like football players get" which may have been caused when she slipped during the struggle. Scuff marks were on the floor of the living room from the door to the outside and the bedroom door.

Mrs. Paxton, alone at the house while her husband was at work in Gardners at the Kuhn trucking business and her children were in school, had apparently drunk a cup of coffee shortly before her assailant arrived at the house. The empty cup was on a table in the dining room when the body was found.

WIN PARADE PRIZE

The Littlestown High School band won \$50 as fourth prize in the band division of the Hanover Halloween parade Thursday evening. Gettysburg College's ROTC drill team was awarded the second place prize of \$10 in the performing groups division.

MANY YOUTH SIGN HONOR PLEDGE HERE

More than 4,000 Adams County school children have signed pledges "not to deface, mutilate or destroy property or perform any act harmful to others during the Halloween season." Henry M. Herring, governor of the local Moose lodge, said today in announcing further plans for the Youth Honor Day program to be held at the Moose Lodge York St. Monday evening.

A total of 5,635 of the pledges were distributed through the schools and Herring said "the way they are being returned we may get all of them back."

The paper distributed to the youngsters contained not only the pledge but an invitation to attend two Youth Honor Day programs to be held at the Moose Home Monday.

TEEN-AGE DANCE
The first for school children in First through Sixth Grades will be from 6:45 to 7:45 o'clock. The second, a dance for those between the ages of 13 to 19, will be from 8 to 10 p.m.

At the earlier program, for the smaller youngsters, prizes will be awarded children in costume. The prizes for that program as well as for spot dances, etc., for the older youngsters are on display in the window of the Moose home at the present time. Secretary George Nauge said the donated prizes are of the finest quality ever given for a Youth Honor Day program.

Women of the Moose members secured the donated prizes and will also serve as the judges for the Halloween "Youth Honor Day" parties. During the program for the younger children movie cartoons will be shown. Usually 600 to 700 youngsters practically all in costume, attend the teen-age dance usually attracts about 400. Refreshments are served at both programs.

U.S. EXPLODES A SUBMEGATON NUCLEAR BOMB

By MALCOLM BARR
HONOLULU (AP)—The United States exploded a submegaton nuclear device at high altitude above the Pacific early today. The flash briefly lit the ocean with a rainbow of red, green and blue for hundreds of miles.

A Thor missile, which failed in three previous tries at the same test, carried the warhead to its firing height, estimated at 30 to 40 miles. The booster apparently performed perfectly during its controlled flight to detonation.

The nuclear device packed a wallop of between 20,000 and a million tons of TNT. It was the second most powerful high-altitude explosion of the 1962 series.

MIDNIGHT SHOT
The actual detonation occurred near Johnston Island, 750 miles southwest of Hawaii. The blast was clearly visible there but in Honolulu it was a short-lived flash of light.

A reddish glow arched across the clear sky when the shot went off a few seconds past midnight Hawaiian time. The color changed quickly to green, then gray-blue. Then the glow disappeared.

The test was the third high-altitude success of the drawn-out operation Dominic series which began April 25. The first was a thermonuclear blast July 8 which created a giant radiation belt in outer space and lit up the Pacific with a dazzling array of color. The second was a low-yield detonation last Friday. The fireball from that shot was visible in some parts of Hawaii.

Weather

Extended forecasts for Oct. 27 through Oct. 31:

Western Pennsylvania — Temperatures are expected to moderate somewhat for the next 5 days, rising to about normal over the weekend but turning cold again early next week followed by a warming trend in midweek. Precipitation will average about a quarter inch as scattered snow flurries and showers or snow flurries late Sunday and Monday and again about midweek.

Eastern Pennsylvania, southeastern New York and New Jersey — Temperatures are expected to average 7 or more degrees below normal. Cold Saturday and Sunday, moderating Monday and colder again Tuesday before a warming trend begins. Precipitation may total from a tenth to a half-inch except a tenth-inch or less over southern New Jersey and in Southeastern Pennsylvania with rain over the south portion and snow in the north on Monday and rain Wednesday.

Middle Atlantic States — Temperatures will average 6 or more degrees below normal. Cold Saturday will be followed by slowly rising temperatures Sunday and colder about Tuesday. Scattered light showers with possibly some snow flurries in the mountains next Monday.

BIGLERVILLE PARADE HELD

The float entered by the Tenth Grade won first prize Thursday night at Biglerville in the annual Booster parade held as a preliminary to tonight's football game with Susquehanna.

Ten floats were entered by Biglerville High School classes and student organizations in the parade that wound through the streets of the town. The high school bands and football team also participated in the parade. A rally at the school followed the procession.

The first prize winning float showed a large hypodermic needle and a football player "getting his booster shots."

Second prize went to the entry of Grade 11-1-A. Third award was won by the Ninth Grade float.

Judges were Clifford Hartzel, Mrs. Herbert Laughman and Henry Lower.

Participating in the parade also were Miss Phyllis Gilbert, a senior, who will be crowned homecoming queen at the half-time of tonight's game at Biglerville and her court, Jane Tuckey, Mary McDaniel and Joanne Black.

BULLETIN

MOSCOW (AP)—The Soviet Foreign Ministry sent back to the U. S. Embassy today another official American document on the Cuban quarantine. It was the third to be spurned.

The act of sending a note back amounts to a rejection.

The note delivered to the Foreign Ministry today was an addition to previous control orders governing the blockade. It put rocket fuel under the official U.S. ban.

MRS. C. CAREY DIES OF CANCER

Mrs. Dorothy E. Carey, 42, wife of Chester A. Carey, Gardeners R. 2, died Thursday evening at 9:05 o'clock at the Carlisle Hospital where she has been a patient since August 14, suffering from cancer.

A daughter of the late Robert and Stella (Myers) McCauslin, she was a native of Adams County.

Surviving are her husband and seven children: Glenn E. Carey, Gardeners R. 2; Dean A. Carey, Gardeners R. 1; Caroline S. Carey, Carlisle; Gloria Jean Carey, Carlisle R. 3; Larry Carey, Carlisle R. 5, and John and George Carey, Carlisle R. 2.

Also surviving are five grandchildren; her stepfather, George W. Smith, Aspers; a brother, Glenn McCauslin, Mt. Holly Springs, and two sisters, Mrs. Lloyd Smith, Gardeners R. 2, and Mrs. Ralph Carey, Gettysburg R. 3.

Funeral services Sunday afternoon at 2 o'clock from the Dugan Funeral Home, Bendersville, with the Rev. Franklin Oiler, pastor of the First Church of God, South Fairview, officiating. Interment in the Westminster Memorial Gardens, Carlisle. Friends may call at the funeral home in Bendersville Saturday evening after 7 o'clock.

DR. BAUGHMAN TO BE HONORED

A testimonial dinner to honor Dr. Harry F. Baughman, retired president of the Lutheran Theological Seminary, will be held Tuesday evening at 6:30 o'clock at the Hotel Gettysburg. Dr. Baughman was president and professor at the seminary from 1940 to 1962.

Robert T. Menges, Menges Mills, vice president of the board, will be toastmaster. The invocation will be given by the Rev. Dr. Abdel Ross Wentz, president emeritus of the seminary. The Rev. Dr. Carl C. Rasmussen, a member of the faculty, will be the moderator.

Greetings from 13 theological institutions and other groups will be presented. Judge W. C. Sheely will represent the Adams County courts. Friends of Dr. Baughman will make a presentation, and following Dr. Baughman's response the benediction will be given by Rev. Gordon E. Folkemer, secretary of the board of directors.

Discover Child Choked To Death

Funeral services for Christopher Patrick Stoner, son of Mr. and Mrs. Patrick Allen Stoner, 21 E. Main St., Emmitsburg, who died suddenly Thursday morning, will be held Saturday morning with meeting at 8:30 o'clock at the Wilson Funeral Home, Emmitsburg, to go to St. Joseph's Catholic Church, for the Mass of the Angels, at which Rev. Fr. Louis Storms will officiate at 9 o'clock. Interment will be in the new St. Joseph's Cemetery at Emmitsburg.

The child, who was one year, 10 months and 14 days old, began choking while walking about the first floor of the Stoner home Thursday morning. He was rushed by his mother to a physician but death had occurred. Dr. B. O. Thomas Jr., the Frederick County medical examiner, following an examination held at Frederick, said the death was caused by the choking.

Surviving are the father, Patrick Allen Stoner; the mother, Laura Clabaugh Stoner; a sister, Kathy Anne; three brothers, Donald Allen, Michael William and Stephen Douglas; by grandparents, Mr. and Mrs. J. Donald Stoner, Emmitsburg, and Mrs. William Clabaugh, Thurmont, and great-grandparents, Mr. and Mrs. Robert L. Topper, Emmitsburg.

Norman Thomas Among Marchers

PHILADELPHIA (AP)—Socialist Norman Thomas, a frequent presidential candidate in past years, joined 200 anti-blockade peace marchers at city hall here Thursday.

Thomas, 78, carried a sign which read: "No Soviet Base in Cuba; No U.S. Base in Turkey." Other pickets carried signs protesting the U.S. blockade of Cuba, and the shipment of weapons to Cuba by the Soviet Union.

Some heated arguments broke out between marchers and spectators. A few hecklers shouted "slackers" and "Communists." Many marchers signed up for a peace march in Washington Saturday.

STOCKS UNEVEN

NEW YORK (AP)—Steels declined in reaction to adverse news from their industry, but the stock market was a whole pursued an uneven course in slow trading early this afternoon.

The market showed no apparent reaction to news that the U.S. Navy had stopped, boarded, and inspected a Soviet-chartered freighter.

Aspers Cub Pack 161 will hold a Halloween party for members and their families Saturday evening at 7 o'clock in the basement of Christ Lutheran Church, Aspers. Everyone is asked to come in costume.

Catholics Observe Feast Day Sunday

In all Catholic churches throughout the Diocese of Harrisburg, which includes Adams County, the Blessed Sacrament will be exposed all day after the last Mass on Sunday. This will be done to pay honor and homage to Christ the King, whose feast day is Sunday. In the evening after a holy hour, the blessed Sacrament will be reposed in the tabernacle.

In addition to the usual reasons for exposition of the Blessed Sacrament there is now at this critical time an additional reason. The Catholic bishops who are gathered in Rome at the Vatican Council, have sent this message to their chancery offices: "In view of the present world crisis the bishops of the U.S.A. request their Catholic people to observe Sunday, the Feast of Christ the King, a day of prayer to beseech God's blessing on our president and government. We urge our Catholic people to explore Divine Providence to grant that peace with freedom and justice be preserved."

WASHINGTON (AP)—Secretary of Defense Robert S. McNamara has made the Pentagon his home since last Sunday when the Cuban crisis deepened to fever pitch. McNamara has slept near his office every night and rarely has left the building in the past five days except to attend urgent White House meetings and other conferences on the arms blockade to Cuba.

DEATH

Mrs. Charles H. Martin

Mrs. Annah C. Kanode Martin, 63, wife of Charles H. Martin, Mountandale, Md., died Wednesday morning at Frederick Memorial Hospital. She was born at Lewistown, a daughter of Mrs. Mary Rice Kanode and the late Benjamin Kanode.

Besides her mother and husband, she is survived by one brother, Arnold Kanode, Lewistown; two sisters, Mrs. Mary Baker, Taneytown, and Mrs. Truman Whitmore, Media, Pa., and a number of nieces and nephews.

The body is at the M. L. Creager and Son Funeral Home in Thurmont, where friends may call after 7 p.m. Services will be held from the funeral home Saturday at 1 p.m. Rev. Arthur B. Rice will officiate, and interment will be in Lewistown Cemetery.

SELECT QUEEN MONDAY NIGHT

The Halloween Queen contest committee today appealed to the public to attend the program in the Gettysburg High School next Monday evening when the Halloween Queen will be selected from among eight candidates from three high schools. The program will begin at 8 o'clock.

A one dollar donation is being asked as an admission charge because the committee feels that if the Queen program receives sufficient patronage the entire Halloween program, including prizes, can be self-sustaining.

"We hope to raise sufficient funds to pay all of our expenses, have sufficient for our prizes and miscellaneous other items," a member of the committee said today.

Seniors from Gettysburg, Biglerville and Littlestown were chosen as contestants for the honor of being selected Queen. They were chosen by the teachers in their respective schools.

The girls will be judged on beauty, talent, evening gown and dress suit with accessories.

Contributions Raise Chest Fund

Contributions made directly to the Gettysburg Community Chest office, today brought the total to \$15,886.25, according to Mrs. Nancy Heller, secretary, who explained that voluntary contributions made directly to the office are not included in the regular reports of volunteer solicitors. Volunteer solicitors have reported \$4,706.10. The remaining \$11,180.15 has come from special gifts, commercial, industrial and personal contributions.

York's Parade Is Saturday Night

Officials of the sponsoring organizations of the annual Halloween parade, which will be staged at York Saturday evening, said today they are anticipating one of the largest turnouts in recent years in all divisions.

So far 47 individuals or organizations have entered floats in the parade and officials said additional entries are expected before Saturday. Last year 92 floats took part, but officials said the total included antique cars and small floats, not included in the present total.

The floats, group and individuals will be competing for a total of \$2,200 in prizes which will be sent to the winners at the completion of the parade.

Sponsoring organizations of the annual event are the York Area Chamber of Commerce, the City Recreation Commission, Goodwill Fire Company and the Welcome Wagon Newcomers Club.

Special Service Held On Thursday

A special service of prayer was held at St. James Lutheran Church Thursday evening at 7:30 o'clock, with the Rev. Dr. Paul L. Reaser and the associate pastor, the Rev. John S. Bishop, officiating. More than 50 attended this service, which was held without music. There were penitential psalms. Intercessions were made from the altar for the U. S. and other countries, "for our allies and our foes, for the United Nations and for the leaders of the world." Following a brief period of silent meditation, the congregation was given an opportunity to participate and many voluntary prayers were said for peace in the world.

30 COUNTY STEERS TO BE SHOWN

Thirty steers raised by members of Adams County 4-H Baby Beef Club members will be on display next Tuesday afternoon and Wednesday at the fourth annual York-Adams 4-H beef show and sale at the York Livestock Market, near Thomasville.

Selection of the eight steers which will represent the county in the state Farm Show at Harrisburg in January will be made at 2:30 o'clock Tuesday afternoon at the livestock market building.

The other 22 will then be entered in the show and sale Wednesday while those selected for the farm show will not be sold until following the annual show at Harrisburg.

JUDGING WEDNESDAY
The schedule for Wednesday morning includes Angus judging at 9 o'clock, Hereford judging at 10 o'clock, selection of the champions at 11 o'clock and fitting and showing contest at 11:30 o'clock.

Sale of the animals will begin at 3:30 o'clock Wednesday afternoon. Dale Bair, president of the Adams County 4-H Baby Beef Club, noted that purchases of the animals can be made by individuals or businesses and urged Adams County to take part in the sale holding that "some outstanding animals will be offered during the sale."

A total of 75 baby beves are scheduled to be entered in the show and sale.

GIVEN \$500 FINES

HARRISBURG (AP) — Fines totaling \$500 have been meted out to the manager and two employees of the Middletown Merchandise Mart on charges of violating the Sunday sales ban.

Justice of the Peace William C. Novak of Lower Swatara Township fined the manager, George A. Adams, \$2, Middletown, \$100 Thursday. Fined \$200 each were town head cashier, and Amos M. Mrs. Pauline Lutostansky, Middle Kauffman, 46, Lancaster R. 6, a salesman.

'63 SEMINARY

(Continued From Page 1)

was used as a Confederate signal station, and the building was filled with wounded. Since the building was part of the Confederate line, it was damaged by Union cannon shot.

Students of the seminary had been dispersed when it was evident that there was to be a battle here. When the Union forces retreated, the seminary professors and their families fled into the town to take refuge with friends.

The report of Dr. Simon Schmucker, president of the seminary, concerning damage was noted. Dr. Schmucker's report showed his home was the most badly damaged of the campus buildings.

"The rebels," Dr. Schmucker wrote in 1863, "took possession of it (Schmucker's house) and their batteries also planted in the immediate vicinity, it was unavoidably shattered by the federal artillery from Cemetery Hill. Thirteen cannon balls or shells pierced the walls and made holes several of which were from two to three feet in length and nearly as broad, window frames were shattered to pieces, sash broken and the greater part of the glass in the house destroyed. The fences around the yard and garden were nearly all leveled with the ground, as well as those around the entire seminary lands.

"The seminary edifice (now known as Old Dorm) was perforated by several balls and large portions knocked out of the north-east gable corner. There being a crack in the wall extending over two stories, the question arises whether that portion of the gable end must be taken down and rebuilt from the foundation."

The seminary building was continued in use as a hospital for several weeks after the battle.

CRITICIZES MOVE BY JFK

The United States is violating international law and the spirit of Christianity by blockading Cuba, Dr. Stoyan Gavrilovic, professor at Dickinson College, said. Speaking at a special United Nations Day program at Huntingdon Friends Meeting, near York Springs, Dr. Gavrilovic said President Kennedy's first should have taken the issue of Cuba to the U.N. The meeting was sponsored by a Quaker committee on peace.

The U.N. has adequate machinery to handle the problem, the former Yugoslavian diplomat said. "People in other countries look to this country as a leader in Christianity," he said. "They expect this kind of thing (the blockade) from other countries but not from the United States."

Gavrilovic, a professor in international law, described Kennedy's blockade proclamation as a "19th Century proclamation, and said that it violated international law by interfering with "freedom of the seas."

The speaker at one time was Yugoslavian undersecretary of state and for many years served as that nation's delegate to the old League of Nations and the United Nations.

APPEARS IN PLAY

17,000 Hear Ike Rip Into JFK's Administration

PITTSBURGH (AP) — Former President Dwight D. Eisenhower appealed to Americans Thursday night to make whatever personal sacrifices are necessary in the Cuban crisis, then he ripped into the Kennedy administration on domestic issues.

"Until this urgent problem (Cuba) is solved to the satisfaction of our nation," the two-time Republican president said, "every loyal American will, without hesitation, carry out and conform to any instructions, pertaining to it, proclaimed by the commander in chief."

Eisenhower, speaking before a packed crowd of some 17,000 at a GOP rally in Pittsburgh's Civic Arena, called upon his countrymen for "visible and genuine unity" in face of international dangers.

HAS "BRAKED" ECONOMY

After referring to the Cuban situation, Eisenhower swung into an attack on the administration's domestic policy. He said the 21 months of the Kennedy administration has braked the economy and paved the way to continued unemployment and deficit spending.

In a speech intended to enhance the chances of Pennsylvania Republican candidates in next month's election, Eisenhower ridiculed Democratic party philosophy as "Government of the people, by the Washington bureaucracy, for the expansion of executive power and the entrenchment of far-frontier theorists."

He said, "our country is too great in its destiny to be turned over to the members of a clique in Washington, tinkering and tampering, in the attempt to produce, someday, somehow, an acceptable blueprint for the future of every one of our 50 states and 183 million citizens."

"THEY WANT POWER"

Making his first visit to Pittsburgh since campaigning for Richard M. Nixon in 1960, Eisenhower said the Democrats are

dead set on one thing: "They want more power for the executives—the grab for power—in the continuous effort to take away from the Congress its constitutional responsibilities."

"Take back control of your government," he urged.

Eisenhower spoke following talk by William Scranton, Republican candidate for governor who is running against former Philadelphia Mayor Richardson Dilworth, and U. S. Rep. James Van Zandt, who is bidding to unseat Democratic Sen. Joseph Clark.

Both Scranton and Van Zandt rejoined the campaign trail after attending a special congressional briefing in New York on the Cuban situation.

"NO ONE IS WRONG"

Van Zandt said, "My opponent may claim one distinction. Probably there is no one in the country, certainly no one in the U. S. Senate, who has been as wrong all along on Cuba as Joseph Sill Clark."

Van Zandt said Clark told an audience in Scranton:

"I am not sure what the right thing to do is, but I am sure what the wrong thing is—to shoot from the hip as Jimmy Van Zandt would have you do — to establish a naval blockade."

Van Zandt added, "Senator Clark's fight against a naval blockade of Cuba makes him unfit to advise and consent with the President on American foreign policy."

Scranton urged all Pennsylvanians to back the President in the Cuban crisis and added in a political vein:

"These things are bad enough, but now with our nation picking her way cautiously through a new time of crisis and peril, Pennsylvania has even more urgent reasons to take her rightful place in the union of states."

Scranton said the state no longer can afford to live in what he called "the lost limbo of high unemployment, poor government and power politics."

Presbyterians Plan Campaign:
At a special congregational meeting Sunday morning following a brief worship service, members of the Gettysburg Presbyterian Church voted to conduct an immediate campaign for funds to be used in renovating the church building. The congregation voted to continue its present Renovation committee in office with instructions to complete the financial campaign by December 31. No goal was set for the drive. The Renovation committee, headed by Attorney Donald P. McPherson Jr., had submitted three plans for church building improvements with cost estimates ranging from \$8,000 to \$27,000 on the various plans. The extent of the work to be done was not decided Sunday.

Metropolitan Edison Wins Award: The Metropolitan Edison Company, which serves this area, was awarded a plaque for having achieved the best safety record among Class A electric utilities in the United States. The plaque was given at the 35th National Safety congress in Chicago. The presentation marked the second consecutive year and the fourth time in the last seven years the Metropolitan Edison has compiled the best safety record of the 183 competing companies. The local unit of the electric company for the period ending June 30 of this year won an award given by the Pennsylvania Electric association for having the best safety record in Pennsylvania and was given an award by the Edison institute for "outstanding achievement in accident prevention."

Favor Community Chest: Voting general approval of the proposal for a Community Chest for Gettysburg, representatives of 11 organizations that appeal to the community each year in finance drives agreed Monday evening at a meeting in the YWCA to form an organization next month and press preparations for a Community Chest campaign here in the fall of 1948. A committee of five was elected to study Community Chest plans in nearby towns and cities and to prepare recommendations on such questions as membership drives, benefits, seal sales and other special events by Community Chest members. Radford H. Lipsey was named chairman of the group which includes Dr. Dwight F. Putman, Raymond E. Menges, Mrs. Richard A. Brown and Miss Kathryn Oller. More than 30 persons attended the meeting with official representatives and other members of these organizations present: Gettysburg Recreation Association, M. P. Hertzell and Mrs. Henrietta Blocher; Adams County Library, Calvin Cluck and Mrs. E. S. Lewars; Warner Hospital Aux., Mrs. Leroy H. Winebrenner and Mrs. Blocher; Civic Nursing Assoc., Mrs. George F. Eberhart and Mrs. Frank Kramer; Adams County Tuberculosis Society, Dr. L. C. Keefe and Mrs. Ralph Z. Oyle; Gettysburg Fire Co., George Burgner and Raymond Menges; Chamber of Commerce, Mrs. Helen Snyder and Henry W. Garvin; YWCA, Mrs. Richard A. Brown and Mrs. Guyon E. Buehler; Adams County Girl Scout Council, Mrs. C. Harold Johnson and Mrs. Richard C. Lighter; Boy Scouts, Dean Tilberg and the Adams County Crippled Children's Society, Dr. R. S. Saby and Frank N. Britcher. In addition, the members of the sponsoring committee of the Gettysburg Lions Club were present.

Kills Bull Elk: B. E. Benner, Fairfield, R. D., has returned home from Meeker, Colorado, where he shot a 700-pound bull elk, one of the largest shot in that vicinity in some time. The big animal's antlers had 12 points. Mr. Benner also killed an 8-point, 170 pound deer. Two shots were required to kill the elk. The first shot entered the animal's stomach and the second the backbone.

Today's Talk**OUR EMOTIONS**

The entire world is an intricate network of emotions. Even in the solid stones in the trunks of trees and in their multi-colored autumn foliage, in rivers, in the very findings and paper of books, in every atom of material that makes up all of our great buildings, the pavements of our streets and the garments upon our backs these emotions live. Look upon the beautiful marble creation of some sculpture genius and there you will see what I mean. The emotions of the ages keep there. I have often looked at a small Italian bronze on my library "bookcase. Every time I have looked upon it I have seen new emotions, or rather, shall I say, feel them there!

These emotions make us all that we are — and often master us. The greatest art the finest literature, the most enduring works turned out by the hand and brain of man, attest to the power and influence of our emotions — given to us at birth, as a heritage from all the years of time.

Some years ago I learned that a beautiful little book, written by Michael Fairless was not published until after the author's death when she was but 32 years of age. The author's real name was Margaret Fairless Barber, and she wrote this enduring small volume when she knew that her earthly life was fast ebbing away. Scarcely did she have the strength to whisper the last few sentences that gave to this sweet book almost a touch of her own immortality.

It is difficult to understand why it is that "The Roadmaker" so stirs one's emotions as it is read today — 60 or more years after its writing.

It is a very noble thing to stir these emotions of ours, when by so doing the finest and happiest emotions of someone else are touched and spurred to life and service.

Just Folks**DOCTOR'S VERDICT**

We sat in the doctor's waiting room

And he nervously drummed the floor.

"It is strange," said he, as he turned to me,

What happens behind that door.

"Just yesterday morning a fuss I made

Because a clerk came late,

And the loss of a dollar's worth of trade

Seemed dreadful to contend late.

"I fancied it mattered much yesterday

Whether prices went up or down,

And how could I manage in front to stay

Of the other shops of the town."

"And now?" said I. "And now,"

said he,

"This terrible truth to tell,

This is all that is troubling me:

Shall I ever again be well?"

CROSBY ACT IS LABELLED AS VERY UNUSUAL

By CYNTHIA LOWRY

AP Television-Radio Writer

NEW YORK (AP)—An extraordinary event occurred this week on television. A singer named Bing Crosby stood quietly in front of a camera, his arms in a relaxed position at his sides, and sang a song the way the composer and lyricist had written it.

He did not sing while smoking a cigarette, belching smoke along with the moon-June rhymes. He did not act like a weight lifter hoisting the barbells while reaching for a moderately high note.

He didn't even add new words or new notes of his own to the song. He did not jerk his mouth as if suffering from a nervous tic while singing.

In fact, Crosby's entire rendition was markedly lacking in mannerisms which someone has called "the Frank Sinatra syndrome."

STYLISH CHANGEABLE

The Sinatra syndrome seems to have afflicted most young male singers—Paul Anka, Bobby Darin, Johnny Mathis, to mention a few—since they recovered from the Elvis Presley syndrome. Even Harry Belafonte recently has been suffering a mild case of Sinatraitis.

Singing styles, apparently, are as changeable and obvious as women's clothes. Last Sunday on Ed Sullivan's show, Kate Smith, whose rich, warm voice and wonderful way with a song seem untouched by the years, gave a distracting demonstration of "acting" the words with arm gestures.

On the Garry Moore Show the other night, Steve Lawrence, who has a smooth, attractive voice, felt it necessary to go through the smoking routine — made even more diverting when he casually tossed his lighted cigarette out of camera range. I stopped listening long enough to hope that someone stomped it out before the studio caught fire.

SPECIAL TONIGHT

Individual mannerisms of singers sometimes are attractive, often distinctive—Dinah Shore's characteristic use of her arms, Ethel Merman's swinging walk and Edie Adams' quiet, pensive approach, for example.

POLITICS Democrat

SCRANTON, Pa. (AP)—Sen. Joseph S. Clark, Democrat seeking re-election, said today the election battle for the U.S. Senate boils down to "whether the people of Pennsylvania want to endorse President Kennedy's program and leadership, or whether they want to reject it."

In remarks prepared for a luncheon at Lackawanna County Democrats Clark recalled the county gave Kennedy an "overwhelming" vote two years ago.

"I think they want him to have a decent chance to go down in history as one of America's great presidents," he said, adding:

"If they do then they will give him the Congress that will support him not obstruct and hinder him."

"A vote to send Republicans to Washington in 1962 would be a vote to cancel out and nullify the splendid support that Pennsylvania gave to President Kennedy in 1960."

At a dinner meeting of the Lycoming County Democratic committee in Williamsport Thursday night Clark said Kennedy acted "in the nick of time" in the Cuban crisis.

MAN ADMITS RAPE-SLAYING OF LITTLE GIRL

BRISTOL, Pa. (AP)—A 60-year-old man was held for further questioning today after police said he suddenly broke down Thursday night and admitted the rape-slaying of a 10-year-old girl.

"He's a little slow mentally," said Bristol Police Chief Vincent Faragelli. "There's a lot to be desired in his acknowledgment of the crime."

Faragelli declined to identify the man saying only he was 60 years old and a resident of this Lower Bucks County Community.

The chief said the man was picked up Thursday afternoon after police were told he had been seen last Monday near St. Mark's Roman Catholic Church shortly before Carol Ann Dougherty was found inside raped and strangled to death.

FOUND BY FATHER

The girl's partly nude body was discovered by her father, Frank, 38, lying on the landing of a stairway leading to the choir loft.

Dougherty had gone to look for his daughter when she failed to return from a trip to the library, about a mile from the family's home and about five blocks from the church.

Faragelli said the man's confession came abruptly during questioning.

"He has acknowledged he killed her and, of course, has acknowledged the rape, too," Faragelli said, adding:

"This is a serious crime he's admitted. We want to check every detail."

Present during the questioning Thursday night, Faragelli said, were himself, several state policemen and several county detectives.

The chief declined to say if the man had a previous record. Police during the week have concentrated their investigation on known sex offenders in this and neighboring communities.

Faragelli said he went over the crime "very carefully" with the man last night, but that no reenactment was staged.

GUEPE RESIGNS AS VANDERBILT GRID MENTOR

NASHVILLE, Tenn. (AP)—Art Guepe, who gave Vanderbilt its only bowl team, announced his resignation as head football coach and athletic director Thursday night. He had weathered 13 straight winless games and two years of alumni criticism.

The resignation is effective at the end of the season, Dec. 2, the day after Vanderbilt and Tennessee play here.

"Through good years and bad," said Chancellor Harvie Branscomb, "he remained steadfast in his conviction that the athletic program should never be allowed to jeopardize Vanderbilt's reputation for academic excellence."

GLE MISS NEXT

Guepe made the announcement to the tear and coaching staff after he saw the Commodores' triumph over the Volunteers in a regular night game practice that he started this year-in preparation for their formidable encounter with the Ole Miss Rebels' Saturday in Memphis.

Guepe said he wished to announce his resignation now in order to give his successor time to prepare for the upcoming recruiting season.

"I am most grateful for my 10 years at Vanderbilt," Guepe said. "Association with its excellent faculty and superior student body have been a rewarding experience."

CAME FROM VIRGINIA

"Until my successor is appointed, my staff and I will continue a vigorous recruitment program."

Guepe, a 25-year veteran of the coaching field, came to Vanderbilt from the University of Virginia in 1953. He succeeded William Edwards as coach and shortly after beating Auburn in the 1955 Gator Bowl, he was named to the athletic directorship.

At the beginning of this season, Guepe, was ranked among the top 20 coaches in the country. His total record now stands at 87-67-9. His Vandy record is 37-50-1.

Elaine Rodney Wins \$60,000 U.N. Trot

YONKERS, N.Y. (AP)—The \$60,000 United Nations Trot at Yonkers Raceway had a distinct American flavor with Elaine Rodney capturing the top prize and scoring place Su Mac Lad becoming the greatest money-winner in harness racing history.

Elaine Rodney, owned by the L. & K. Stable of Eggersville, N.Y. and driven by Clint Hodzins beat the 3-5 favorite Su Mac Lad Thursday night, trotting the 1 1/2 miles through snow flurries and over a sloppy track in 3 minutes, 18.2 seconds.

Winning only her third race in 23 starts the 5-year-old mare paid \$51.50 \$10.00 and \$5.40 while earning \$30,000. Su Mac Lad won \$15,000 for a career total of \$50,349. That exceeded the \$554,257 earned by previous all-time record-holder Bye Bye Byrd, a pacer.

Murder Charge Against Conductor

ERIE, Pa. (AP)—A railroad conductor was faced today with a murder charge in the fatal shooting of another conductor.

The charge was filed Thursday against Steve Pavkovich, 37, of Erie, in the shooting of John R. Cochran, 34, also of Erie.

Police said the shooting occurred Wednesday in an Erie tavern where both men, employees of the Pennsylvania Railroad, had been drinking.

Dr. White, personal physician to former President Eisenhower, explained in an address before the Industrial Hygiene Foundation Conference that atherosclerosis, or hardening of the inner lining of the arteries, is a major cause of heart attacks.

Dr. White said he feels sure that heart disease stems from a diet high in cholesterol, a substance found in animal fats such as butter.

"Executives have learned to control the cholesterol levels in their diet more than have laborers—and more than their white collar employees, too, for that matter," he said.

Purchase Line and Cresson for their 7-0 record this season in the West Central Conference.

Bullets And Lafayette Collide Saturday At 2 In MAC Game At Easton

The Gettysburg College football team, after winning its last two encounters, will be looking for its third win Saturday afternoon when it tangles with Lafayette in Easton, in a Middle Atlantic Conference university division battle. Kickoff is slated for 2 p.m.

Following defeats at the hands of Bucknell, Delaware and Lehigh in the first three outings, the Bullets have begun to pick up momentum. One of the main reasons for the snap in the winning direction has been the performance of several sophomores. Tony Presogna, Curwensville, has moved into third place in team rushing with 20 carries for 106 yards. Backfield coach Howard Shoemaker feels that his speedster is ready for a starting assignment and he will get that opportunity against the Leopards. Bill Samuel, sophomore guard from Philadelphia, is adding more speed and detecting plays quicker to strengthen the right side of the line.

SOPHS HELP DEFENSE

Sophomore ends Pat Noonan, Washington, D. C., and Vince Majkowski, Kearny, N. J., have bolstered the outside wall. Noonan has moved from the third to second unit. Both players have given the Bullets more punch in their defense.

Statistically, Phil Parsons, Cherry Hill, N. J., a junior half-back, continues to pace the Gettysburg rushing attack. Parsons has carried the ball 45 times for 222 yards. Reed Ernst, Camp Hill, tops the passers with 19 of 42 airdrops for 213 yards and one TD. Dave Wehr, Tamaqua, is the leading pass receiver with six catches for 115 yards and Vance Johnston is averaging 33 yards per punt. Barry Gruber, Harrisburg place kick specialist, is the leading scorer with two touchdowns, four placekicks and a field goal for 19 points.

Gettysburg and Lafayette have identical 1-3 records in the MAC. The Leopards defeated Muhlenberg in the initial test of the season and have dropped their last four outings to Penn, Delaware, Temple and Bucknell.

LEOPARD LINEUP
Coach Jim McConlogue's starting backfield will include quarterback George Hossenlopp, Nutley, N. J.; John Brown, Pittsburgh, and Ray Moyer, Parkersburg, and the halfback slots and either Les White, Union, N. J., or Joel Johnson, Roosevelt, N. Y., at fullback. Hossenlopp has completed 28 of 79 passes for 373 yards and two touchdowns while White is the leading rusher with 125 yards on 35 carries. The Gettysburg scouts feel that Johnson is a better looking runner despite White's performance.

The end positions in the Leopard forward wall will be handled by Bill Rutledge, 6' 2", 190-pounds, and Bill McClure, 5'11", 180. Tackles are Bob Leciston, 6'3", 215, and Bob Longo, 5'10", 200, while Jay LaSalle, 5'9", 190, and Jim Giudice, 5'9", 190, will be the guards. Marty Shane, 6', 190, last year's top choice for the Bullets' all-opponent team, will start at center.

MIDGET GRID TEAM PLAYS HERE SUNDAY

The Gettysburg "Little League" football team will play its first home game of the season Sunday afternoon at 2 o'clock on the Gettysburg College field when it tangles with Ebenezer, of near Lebanon.

Both teams will employ only nine to 12-year-old youngsters. Last Sunday the local team, coached by Bob Davies, turned in an excellent performance in winning at Frederick in its opener.

There will be no admission to Sunday's game and no donations will be accepted. Coach Davies has listed the following probable starting lineup: Ends — "Skip" Waybrant, Ed Hughes; tackles — Scott Moorhead, Carroll Zentz; guards — Jim Martin, Randy Phiel; center — Mike Shainline; quarterback — "Bo" Davies; halfbacks — Eric Maitland, Dave McLaughlin; fullback — "Butch" Alberts.

FULLMER MAY GIVE UP RING

WEST JORDAN, Utah (AP)—A Gene Fullmer-Dick Tiger rematch is still planned, but Fullmer, the former middleweight champion, is thinking about quitting the boxing game, but may not.

His father-in-law died of a heart attack suffered at ringside when Tiger won the World Boxing Association title with a unanimous 15-round decision Tuesday night in San Francisco.

When Gene returned home he was battered, bruised, grief-stricken. He said he had serious doubts if he would ever fight again.

"Is it worth it?" he asked. "My father-in-law dies, perhaps from the excitement. My mother carries on so every fight and my wife has been having pains in her arm like a stroke."

"Is it worth all this to keep on fighting? Maybe I'm over the hill as a fighter and should quit."

But Gene said later, "It's too early to say right now that I'm retiring. Plenty of thoughts come to one's mind at a time like this."

Gene and Tiger are tentatively scheduled to fight for the title again Jan. 19 either in Bozeman, Mont. or Las Vegas, Nev.

RUSSIA WINS FIFTH TITLE
MEXICO CITY (AP)—Complete superiority in the cross country event—the last on the five-sport program—has given Russia the World Modern Pentathlon Championship for the fifth consecutive year.

The Russians captured the team title Thursday when Valeri Pichuzhkin and Edouard Sdobnikov finished 1-2 in the 4,000-meter (about 2 miles) cross country run.

That gave the Soviets an additional 3,051 points, an over-all total of 15,203.76 for the team title and earned Sdobnikov the individual title.

Hungary finished second with 13,190 and the United States, which led by 14½ points going into the final event, wound up third at 12,420 when the three-man team of Jack Daniels, Alan Jackson and Paul Pesthy could do no better than ninth in the grueling race.

Besides cross country, the other events in the pentathlon were riding, fencing, shooting and swimming.

2 BREATHERS FOR LONGHORNS AND ALABAMA

By MIKE RATHER

Texas and Alabama, rated the nation's top two major college football teams, are expected to have a ball against lesser lights, but Northwestern's third-ranked Cinderella club has been cautioned against losing its glass slipper in Saturday's shindig with three-beaten Notre Dame.

While Texas tangles with winless Rice and Alabama takes on Tulsa, Northwestern will be trying to continue its steady climb toward the top against Notre Dame while looking ahead to next week's showdown struggle with Big Ten foe Wisconsin.

The unbeaten Wildcats, transformed into a gridiron power by sophomore Tommy (Gun) Myers, have been cautioned by Coach Ara Parseghian against a letdown in the contest at Evanston, Ill.

COUPLE OF BRUISERS
Notre Dame, which hasn't put together a winning season since 1958, will carry the psychological edge and an underdog's role into the clash after losses to Purdue 24-6, Wisconsin 17-8 and Michigan State 31-7. An upset could right Joe Kuharich's forces.

The Big Ten has a couple of other bruisers scheduled on the weekend program that gets under way tonight with Dayton at Detroit, then heads into a Saturday schedule sprinkled with key conference clashes and some top-flight intersectional battles.

Texas, which leaped its big hurdle last week by beating Arkansas 7-3 on a last quarter touchdown, will try to snap a jinx against Southwest Conference foe Rice. The Longhorns are two touchdowns favorites but have not won a game in Rice Stadium since 1952.

TWO GO TO WEST
Alabama, holding the Southeastern Conference lead with a 4-0 record, takes time out for an expected breather against Tulsa, the Missouri Valley Conference pacesetter but a two-time loser against outside opposition.

Fourth-ranked Southern California moves into Illinois and is expected to hand the Illini their 13th consecutive defeat. Wisconsin's fifth-ranked Badgers, boasting the country's best scoring record and an All-America candidate in end Pat Richter, tangles with Ohio State.

LSU, No. 6, hosts Southeastern Conference opponent Florida for a night game, seventh-rated Mississippi meets SEC foe Vanderbilt at Memphis in a night game, No. 8 Washington goes outside the Big Six to take on independent power Oregon, ninth-rated Arkansas plays Hardin-Simmons under the lights at Little Rock and No. 10 Michigan State invades Indiana for a Big Ten clash.

In two top intersectional meetings, Penn State, trying to regain lost prestige in the East after a loss to Army, faces California and West Virginia travels to Oregon State.

FIRES 63 WITH NEW PUTTER

COSTA MESA, Calif. (AP)—Former PGA champion Bob Rosburg swapped putters with movie badman Bob Wilke, then set a course record at Mesa Verde Country Club—a blistering 63.

Rosburg posted two nine-hole rounds of 33 and 30 in Thursday's first round of the \$22,500 Orange County Open Championship. He finished three strokes under his closest competitor, Jerry Steel-smith. In a tie for third place were Gene Littler and George Bayer with 67s.

A week ago Rosburg was playing a filmed television match in Santiago, Chile, where he lost to the long-driving Argentine, Roberto De Vicenzo. Thursday he required only 23 putts for the 18 holes, and only 10 on the last nine holes. He offered to swap his putter with Wilke when they were playing in the pro-celebrity event that preceded this tournament. After he got Wilke's putter he hammered it onto a cement walk to get it into the shape he wanted it.

Big Spring Is Warrior Foe Here Tonight

Several hundred fans are scheduled to follow the Big Spring High School football team here tonight for its clash with the Gettysburg High Warriors at 8 o'clock.

Big Spring and Gettysburg are among the four teams who have set their sights on second place in the Blue Mountain League. It is generally conceded unbeaten East Pennsboro will continue undefeated to take the title. Big Spring is 5-1 and Gettysburg 4-2 in the league. Shippensburg, 4-1, and Camp Hill, 4-2, are the other contenders for second place at present.

Biglerville entertains Susquehanna in its homecoming game tonight at Biglerville, also at 8 o'clock, in another Blue Mountain game. Miss Phyllis Gilbert, a senior, will be crowned the homecoming queen during the halftime program. Her sister, Miss Donna Gilbert, was the homecoming queen at Gettysburg College last week.

Delone Catholic hopes to pull a surprise at the expense of Bishop McDevitt when they clash at 8 o'clock tonight at McSherrystown in a battle for first place in the Central Penn Catholic League.

On Saturday afternoon Littlestown plays at Kennard-Dale in a Laurel League contest and Bermudian Springs is at Scotland. Both games start at 2.

G-BURG JUNIOR HIGH LOSES TO CENTRAL 26-6

A trio of touchdowns in the first period by Barry Carter, including two long jaunts, led the Chambersburg Central Junior High gridders to a 26-6 victory over the Gettysburg Junior High Braves Thursday evening at Chambersburg.

The victory gives Central a 5-1 record while Gettysburg's mark is now 2-3.

Central went 40 yards in eight plays for its initial score after a short Gettysburg punt. Carter raced over from the 10. The Braves received the ensuing kickoff and were forced to punt only to have Carter break away on the first play on a 3-yard touchdown run. Carter tallied his third six-pointer of the period when he gathered in a Brave punt a short time later and raced 45 yards to pay dirt. Johnny Wauls added the point on a carry after the last TD.

PASS INTERCEPTED
Don Bickel's outfit took to the air in the second period in an attempt to get back into the game. pass to Ronnie Sherman for a 40-yard gain, and a 15-yard penalty against the Gladiators put the ball on the Central 4-yard stripe. After three plays failed to gain, Raffensperger tossed an aerial only to have Wauls intercept and race back to the Gettysburg 45. Central drove from there to score. Roy Rowe crashing off tackle from the three. He also carried for the point to give Central a 26-0 lead at half time.

The second half was played on fairly even terms with Gettysburg finally breaking into the scoring column in the last period on a pass from Raffensperger to "Kit" Richardson. A fumble erased the extra point.

Next Thursday afternoon at 3:30 the Braves will conclude their season by meeting Biglerville here.

DELONE FROSH 24-0 VICTIM OF CARLISLE

The Delone Catholic High School Freshman football squad sustained its fourth loss in five starts when it bowed to Carlisle 24-0 at McSherrystown Thursday afternoon.

After a scoreless first period, Carlisle tallied a pair of touchdowns in the second quarter. Wilson Mosely passed to Dick Ehly for 33 yards to put the ball on the Delone 17. On fourth down Ehly fired another pass to Charley Washington for the score. Mosely's kick for the point was low.

A 24-yard return of a pass interception by Mosely accounted for the second Carlisle touchdown. Again the kick for the point failed.

89-YARD RUN
The longest run of the game took place in the third period. Mike Neiderer, Delone tackle, recovered a Carlisle fumble on the visitors' 42 after which the Squires marched to the eight-yard stripe only to lose the ball on downs at the 11. On the first play Mosely took a pitchout and circled left end to streak 89 yards for the score. Bob Doleman was stopped attempting to run for the point.

A 33-yard pass play, Ehly to Gary Raymond, produced the Carlisle score in the final period. A run for the point was stopped.

Delone finishes its season at Scotland next Thursday afternoon at 4 o'clock.

LEAHY DENIES LISTON STORY

DENVER (AP)—Frank Leahy, former Notre Dame football coach, has denied published reports that heavyweight boxing champion Sonny Liston wants him to be his new manager.

"Sonny has very good advisers," Leahy said Thursday. "He's in very capable hands right now."

Liston's adviser, Jack Nilon, dismissed the story which appeared in the New Orleans Times-Picayune as "just nothing."

"There's no connection," said Nilon in Philadelphia. "He met Leahy through me. Leahy is a friend of mine."

Liston is en route to Chicago. Sources close to the new champ said he probably would not be available for comment until Monday.

Leahy said Liston had not asked him to manage him and added that he had no plans to do so. He said one report probably started after he and associates made a television movie with Liston while he was training for his title fight with Floyd Patterson.

Mexico To Face Sweden's Tennists

MEXICO CITY (AP)—An almost-certain spot in the challenge round against Australia was at stake today as Mexico and Sweden squared off in the Davis Cup interzone tennis semifinals.

Lanky Jan-Erik Lundquist, the Swedish ace, was paired against erratic Antonio Palafox, the Mexican question mark, in the day's opener.

The second singles match pitted Sweden's No. 2 player, Ulf Schmidt, against Mexico's best, Rafael Osuna.

Captains of both teams agreed that the winner here was virtually assured of a shot at Australia in December.

With India, the eastern zone champ, depending almost solely on one player, Ramanathan Krishnan, the Indians are not considered a threat no matter which team wins here.

WALKER AND WALKER BEST AT THE PLATE

By SHELDON SAKOWITZ
NEW YORK (AP)—Jerry Walker of the Kansas City Athletics and Bob Gibson of the St. Louis Cardinals compiled the highest batting averages among major league pitchers during the 1962 baseball season.

Walker and Gibson finished with identical batting averages of .263, figures computed by The Associated Press disclosed today. Both pitchers throw right-handed and are switch-hitters.

Walker, 23, collected 15 hits in 57 at bats and topped the American League in pitchers' batting. Gibson, 26, delivered 20 hits in 76 trips while leading National League pitchers at bat. Figures are based on at least 50 official at bats.

Camilo Pascual of the Minnesota Twins was runnerup in the American League with a .238 average on 26 hits in 97 trips. He paced the pitchers in runs batted in with 19. Jim Bunning of the Detroit Tigers with 23 hits in 95 at bats for a .242 average, ranked third in the AL.

Harvey Haddix of the Pittsburgh Pirates wound up second in the National League with a .250 mark on 13-for-52. The San Francisco Giants' Juan Marichal was third at .236. He had 21-for-89.

STEELERS OVER BROWNS
Pittsburgh over Cleveland: The Steelers usually good for one victory over Browns each year and Bobby Layne, John Henry Johnson and big defense still fresh enough to do it.

Philadelphia over Minnesota: Sonny Jurgensen now has Hopalong Cassidy as another swift target and Eagles not as bad as 1-5 record indicates.

San Francisco over Los Angeles: Good chance for 49ers to get one against West Coast rivals, who are missing two starting offensive men and hurting from injuries in defense.

APL
Boston over Oakland: Patriots on title drive with Babe Parilli at reins and Raiders locked in doldrums of six-game losing string.

Denver over Buffalo: Broncos, too, are eyeing title and have full head of steam after last week's victory over Houston.

San Diego over New York: Titans can't cope with Chargers' strength defensively.

Dallas over Houston: The second battle of the Alamo, and the Texans — Dallas-type — have more artillery and shock troops.

Catholics To Aid Burned Ga. Churches

By DON MCKEE

CONYERS, Ga. (AP)—Silent monks, garb and ritual little changed in centuries, have extended brotherly kindness across their monastery walls to span one of the widest gaps in Christendom. Cistercian monks at a nearby monastery, 25 miles from Atlanta, decided to make stained glass windows for the rebuilding of two Negro Protestant churches burned

last summer by arsonists in south Georgia.

"NOT JUST CATHOLICS"

The decision by the cloistered monastic community was made before the convening in Rome of the Catholic Ecumenical Council to discuss Christian unity.

"We didn't like what happened and we wanted to make some gesture—not just as Catholics—for this is our part of the country now," said Father Charles, 45, a World War II veteran who left a journalistic career to enter the monastery.

Although they don't get newspapers and only a few are permitted to speak, the monks learned of the church burnings which came

as a climax to prolonged racial troubles in Albany, Ga.

"DEEP ROOTED LOVE"

"When we heard about this, a number of us felt there should be some kind of expression from us as members of the same community," Father Charles said.

"Our love of our neighbors is very deeply rooted," he said. "And you see, we took a vow of stability—that is, we will stay here until we die. So we feel very much a part of this area."

MANY VISITORS

The church windows, which haven't been started yet pending completion of architectural design for the church building, will be tediously and meticulously put to-

gether in the glass shop of the monastery.

In the glass shop Father Charles pointed to inch-thick pieces of colored glass which the monks will cut and chisel into artistic designs. The windows will go to Mount Mary and Mount Olive Baptist churches near Dawson.

Hundreds of persons from over the country visit the monastery every month. It was completed only three years ago and an open house attracted 70,000 to 100,000 visitors, mostly from the surrounding area.

In August 1962, the U. S. population passed the 187 million mark.

THAT'S A WONDERFUL STORY!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Yes, that's a wonderful story. Maybe he'll be president some day, or like the man in the storybook. Maybe his picture will one day be shown in an historic sketch—a flashback of the life of someone famous.

It could be you. It could be your own child, or someone you know. The young have dreams, the old have visions. But, from young dreams come realities.

The greatest reality is God. He is waiting . . . for you. He waits in your church. Relive the dreams of long ago this Sunday . . . in church we call those dreams, prayers! For prayer is often but a wish, and frequently a silent "thank you" sighed to God. You can face stern realities with stronger faith, if you have that faith renewed—often.

Let's Look At The Record

NO QUARANTINE
"Pacific Blockade" Is Correct Form
For President's Action Against Cuba

By JIM DAN HILL, Ph.D.
 President, Wisconsin State
 College, Superior

PRESIDENT KENNEDY had hardly finished his dramatic pronouncements for the "quarantine" of Cuba before commentators began calling attention to his avoidance of the word "blockade." When does a "quarantine" become a blockade? Is a blockade an act of war?

Let's dispose of "quarantine." It has an honorable place in maritime lore. An arriving ship pauses in a harbor entrance en route normally to its berth or dock. One or more local health officers go aboard. If there are no communicable diseases among passengers or crew, the ship receives "pratique," i.e., clearance to dock.

The word "quarantine" and the resulting "pratique" have no other place in international, legal usage.

"Quarantine," as brought forth by Mr. Kennedy, is traceable to the master-maker of soothing, nebulous phrases, Franklin Roosevelt. His use of the word implied a blockade to prevent the expansion of Fascism and Nazism in 1940. It is from this source and usage that Mr. Kennedy borrowed the term. As used, it means blockade.

WE ARE being told by sundry commentators that blockade can only be defined as "an act of war carried out by the warships of a

belligerent. . . . This is not correct. It is true that blockade is normally associated with warfare. In this sense, the blockade first came into history in the wars of the ancients.

When Rome lost naval control of the sea to Carthage, the latter intercepted the grain ships from Egypt. There was near famine in Rome. Thus blockades are as fundamental and ancient as warfare itself.

BUT IN MODERN TIMES the phrase "pacific blockade" is often found. International lawyers have defined it as "a method of coercion short of war exercised by a great power for the purpose of bringing pressure to bear upon a weaker state."

Obviously, the pacific blockade interferes with the rights of neutrals on the high seas and may easily be construed as an act of violence more or less in the nature of war.

Indeed, it may be regarded as war by a power strong enough to resist. Without a navy or long range missiles, Cuba is hardly in position to resist — we hope!

There are many precedents for pacific blockades. One was the peaceful blockade of Swedish and Norwegian ports in 1814 by England. The moment she howls about interruption of her trade, Downing Street will have to laugh that off. It was there that the pacific blockade was invented.

England also invoked a pacific blockade of Turkey in 1827 and

later against the Republic of New Granada, now known as Colombia. France likewise set up a pacific blockade of Mexico, 1938-39, to force the payment of certain international claims. It cost France more than the claims totaled.

THE BLOCKADE was legitimized by the nations of the world in the Declaration of Paris, 1856. In this Declaration, having the force of international law, the following principle was adopted: "Blockades in order to be binding must be effective; that is to say, maintained by a force sufficient really to prevent access to the coast. . . ."

The theory back of this odd requirement was that shippers would have to know full well in advance that there was no use in trying to get through, hence would not subject themselves to losses and delays by trying.

WHEN FRANCE blockaded China in 1884, Great Britain broke it up with naval convoys. She cited the above clause from the Declaration of Paris. The English Foreign Office held that the French had set up a "paper blockade." It is thus readily seen that there are blockades, blockades and blockades, but no quarantines within the historic sense of the latter phrase.

With World Wars I and II, there came into usage the distant blockade as against the close, inshore blockade. The former contemplated seizure of any ship, anywhere, carrying contraband to the nations or peoples being blockaded.

MR. KENNEDY has obviously invoked the principles of the pacific blockade. Where it will lead is governed by the willingness of Cuba's ally, Russia, to resist.

There is no reasonable expectation of direct Russian intervention. She has submarines with which she can harass the blockade. They cannot break it. Russia has no surface navy big enough to crack the blockade.

Russia's only actual recourse is the nuclear, intercontinental, ballistic missile. Were this as accurate as Khrushchev boasts, no Cuban launching sites would be necessary. Any hostile, nuclear explosion will bring a sledge hammer retribution. She knows it. We can be reasonably sure that no immediate war with Russia is on the horizon.

Meanwhile, America must protect the security of the Western Hemisphere. There was no alternative once President Kennedy had admitted to himself that he

Hilltop is not just a garden. It is Indiana University's garden-teaching laboratory where youngsters from Bloomington may cultivate not only plants but the science of working together.

It is not just a place to learn to grow a head of cabbage, says Dr. Barbara Shalucha, I. U. professor of horticulture who directs Hilltop.

This nature workshop was fashioned 15 years ago from a one-acre field of alfalfa. The first class had 17 youngsters. This summer 200 children of school age raised vegetables, fruits and flowers.

"Hilltop is a way of living in our town," Dr. Shalucha explains. "Ninety per cent of the children never have been in a garden. But by the time they have finished a season they know you just don't throw seeds any old way. You have to learn to plant."

PLOW GARDEN EARLY
 Planning begins in February, when I. U. horticulture students start laying out garden plots and crops. Hilltop provides the laboratory for I. U. education majors, youth counselors and even

medical students.

"They feel there is more to medicine than the pill or operation," said Dr. Shalucha.

She related that more than 500 university students have graduated thus far from Hilltop and many have set up similar projects around the country.

Plants are started in the Hilltop greenhouse in March. Later, Bloomington youngsters aged 9 to 12 are invited to register. They have their own plots, work Saturdays before school is out for the summer, then three days a week.

There is an honor day after the harvest. "We play down competition," Dr. Shalucha says. "Our honors are extremely simple. What we really want is respect of a good idea. Genuine respect, especially of others is part of one's character development."

While browsing in the Shaker Museum at Old Chatham, N. Y., we came upon a display based on the Shaker Seed Industry. The literature said that the Shakers established the industry in 1794 and after 1814, these progressive people produced 2,000 pounds of seed a year, valued at \$2,000. It also proclaimed that the Shakers were the first to put up seeds in small paper envelopes, in 1816. They published gardeners' manuals as early as 1836.

Hanging from a wall was a wooden plant spacer, an eight-spoked, rimless wheel fastened to a pole.

90 Million To Turn Clock Back Hour Sunday Morning

By THE ASSOCIATED PRESS
 Some 90 million Americans turn back the clock Sunday (Oct. 28) for only for an hour.

The date marks the end of daylight saving time this year for nearly half the United States' population. It means the hour lost last spring in the switch from standard time will be restored. The change-over comes at 2 a.m. in many places, and will have the effect of increasing the usual 24-hour day to 25.

VARIOUS METHODS

Most, however, will reset their clocks before they retire. Those who like to luxuriate in bed may set their alarm off at the usual time then turn it off, roll over and snooze for another hour.

There will be the inevitable confusion that attends the time change. In this case, the risk is arriving ahead of time, rather than late, as in the spring.

The change affects most of the East, industrial regions of the Midwest and the West Coast.

VIEWS DIFFER

Farm areas in the South and the Western Plains stand pretty much united behind standard time. They say their livestock and poultry operate on a sunrise to sunset basis no matter what the clock says.

The purpose of so-called "fast time" is to give an extra hour of daylight for outside activities during the summer months.

The District of Columbia and these states return to standard time Sunday.

New York, New Jersey, Rhode Island, Missouri, Illinois, Connecticut, New Hampshire, Massachusetts, California, Delaware, most of Pennsylvania, Maine, Nevada, the northeast counties of Ohio, the rest of the state never alters its time. West Virginia's northern panhandle (other areas of the state observing daylight time reverted last month; some parts remain on standard time), most of Maryland and parts of Iowa, Indiana and Vermont.

Returning to standard time last month were these states: Wisconsin, Washington, Minnesota, the five counties in Oregon observing "fast time," and most of Virginia. The Virginia area around Washington follows the capital's lead in switching Sunday.

DOWNTOWN, Pa. (AP) — Fred Wiese of Coatesville shot a 40-37-77 over the Chester Valley Country Club course Thursday to win the Philadelphia left-handers Golf Association championship by three strokes. Sam Pelera of the home club was second with 80. Other finishers included Jake Hanlen, 84 and John Rakestraw, 85, both of Carlisle.

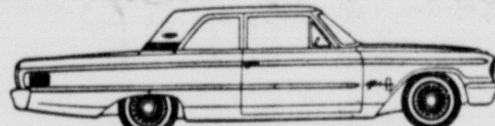

ALMONI, Mich. (AP) — The football season is over for winless Almont High School—there aren't enough players left to finish the schedule.

Theodore Nitz, Almont principal, said that due to injuries only nine players are left for the varsity.

MERCURY HITS FREEZING LINE IN DEEP SOUTH

By THE ASSOCIATED PRESS

Wintery weather, some two months in advance of the winter season, prevailed across broad areas in the eastern half of the nation today.

Temperatures dropped into the teens in northern Midwest areas, were in the 20s southward into Kentucky and Missouri and dropped to near and below freezing in sections of the Deep South.

Northwesterly winds of gale force swept across the eastern Great Lakes setting off snow storms along the eastern shores. The Weather Bureau reported police in southwestern Michigan said snow piled up to nearly a foot in Cassopolis, Mich.

9 INCHES OF SNOW

The snow belt stretched all along the Lake Michigan shore as far as the Straits of Mackinac and inland to Battle Creek. Nine inches of snow covered the ground in Paw Paw and six inches fell in Kalamazoo.

Snow also hit wide areas in Ohio, Pennsylvania and West Virginia with up to six inches reported in northeast sections of West Virginia and four inches in southwestern Pennsylvania. Snow also was reported in New England areas.

The mercury tumbled to 14 above this morning in Lone Rock, Wis., and to 16 in International Falls, Minn., as the cold air mass centered across northern Minnesota and Wisconsin.

ALABAMA FREEZES

Below freezing readings—31 degrees—again were reported this morning in Tuscaloosa and Anniston, Ala. It was near freezing, 34, in Birmingham. Temperatures were in the 30s in wide areas of Alabama, Georgia and Mississippi.

There was an indication of some relief from the cold in the Midwest. Temperatures moderated in the Plains states as the cold air mass fanned by southerly winds, moved eastward.

Fairly seasonable weather prevailed in the Rockies and Pacific coastal areas. Temperatures were mostly in the 40s, with 50s along some coastal areas and in the 60s and 70s in the Southwest Desert region.

ADVERTISE IN THE TIMES

POLITICS Democrat

WILLIAMSPORT, Pa. (AP)—Sen. Joseph S. Clark, D-Pa., has accused his Republican opponent for the U.S. Senate of lying in regard to statements about the military buildup in Cuba.

Clark said Thursday night, Rep. James E. Van Zandt "was not telling the truth when he said he had secret information in August that Cuba had offensive capabilities."

Clark and Van Zandt attended a briefing by the State Department Thursday in New York.

Afterward, Clark said Van Zandt was talking through his "hat," and the so-called secret information was "just scuttlebutt picked up from Navy pals." Van Zandt is a rear admiral in the Naval Reserve.

TRIO NAMED IN TAX SUIT

PHILADELPHIA (AP)—A \$291,392 delinquent tax suit was filed by the Internal Revenue Service against a Chester County couple in U.S. District Court Thursday.

Joseph R. Culhane, vice president of the Wilmington Construction Co. and his wife, Marion, were named defendants, along with Norman J. Shea Jr., their accountant.

The Internal Revenue Service seeks to collect tax judgments for 1949 and 1953.

Daniel L. Tucker, assistant IRS director, contended the Culhanes turned over 1,530 shares of stock in the construction company to Shea for "less than fair consideration."

A court may cancel a deal in which one side seems to give up something for nothing, on the theory that an element of fraud is involved in this case, if the court rescinds the conveyance of the stock to Shea. Then the government can seek to settle its claim from the stock.

U.S. District Judge William C. Craft granted a temporary restraining order, sought by Asst. U.S. Atty. Sidney Salkin. The order forbids Chester County officials from disposing of any of the Culhane's property.

ALCOA INCOME UP

PITTSBURGH (AP)—The Aluminum Company of America says its net income for the first nine months of 1962 totaled \$43,986,361 or \$1.97 per share of common stock.

In reporting earnings Thursday, Alcoa noted that the figure was about \$15 million higher than the net income of \$29,341,497 or \$1.29 a share for the first nine months of 1961.

Alcoa's sales for the first nine months of this year equaled \$719,211,534 compared with \$621,817,428 for the similar period in 1961.

OFFICER KILLED

ALTOONA, Pa. (AP)—Constable George O. McMullen, 56, of Logan Twp. was fatally injured by a car Thursday night while directing traffic on Route 36 just south of Altoona.

Police quoted driver Dwayne F. Diehl, 24, of Everett R. 1, as saying he didn't see McMullen because of his dark clothing.

The home of French bronco busters is a melancholy wilder-ness called the Camargue. Its 295 square miles in the Rhone River delta consists of salt flats, swamps and sheets of brackish water, shallow streams, spiky grass and clumps of scrub trees.

POTTSTOWN, Pa. (AP)—Sen. Kenneth B. Keating, R-N.Y., says he opposes a summit conference now, and doesn't like a proposal by Acting Secretary General U. Thant of the United Nations to suspend temporarily the Cuban blockade.

Keating said Thursday night "I don't see anything that could be gained by a summit conference unless there is an agenda of things to be talked about and unless Khrushchev is prepared to take some peaceful strides."

Keating spoke to 1,000 Montgomery County Republicans at a rally.

CLUBWOMEN MAKE TOUR OF WGAL STATION

A tour of television station WGAL, Lancaster, was enjoyed by the Woman's Community Club of Littlestown and vicinity on Wednesday evening. The conducted tour was in charge of a member of the staff there. The trip was made by bus. Enroute from Lancaster, the group had refreshments at a Howard Johnson Restaurant.

Arrangements for the affair were in charge of the education committee, composed of Mrs. Atlee F. Rebert, chairman, Mrs. Stanley S. Horner, Mrs. James W. Fager, Mrs. Monroe J. Staveley, Mrs. Edward T. Richardson Sr., all of whom made the trip, Mrs. Roy D. Renner and Mrs. Mabel Wilkins. In addition to committee members, the following participated: Mrs. Karl P. Bankert, Mrs. Kenneth Benner, Mrs. Cloy I. Crouse, Mrs. George C. DeHoff, Miss Malva A. Dutera, Mrs. Charles H. Fissel, Mrs. John H. Fleming, Mrs. Glenn Flinchbaugh, Mrs. Emory C. Gitt, Mrs. Beaven F. Hanlon, Mrs. Curvin Hollinger, Mrs. Holman L. Sell, Mrs. Paul E. Altoff, Mrs. Edward H. Leister, Mrs. Carrie Strine, Mrs. Bernard M. Selby, Mrs. LeRoy W. Bish, Mrs. Willis Snyder, Mrs. Vernon Snyder, Mrs. Chester S. Byers, Mrs. George P. Smith, Mrs. Robert J. Stonesifer, Mrs. Irvin R. Kindig, Mrs. Robert H. Miller, Mrs. Emerson F. Muller, Mrs. J. Harvey Pettyjohn, Mrs. Joseph R. Riden, Mrs. Howard Study and Mrs. Paul R. Snyder.

A brief meeting for the October business was held in a room provided at the TV station. Mrs. Edward Leister, president, presided. Plans were discussed for assisting the Littlestown Junior Chamber of Commerce with the Halloween party for the children of the community on Monday from 7 to 9 p.m. in the Maple Ave. School. The club members will be responsible for costume prizes, games and prizes for the children of the First and Second Grades. Mrs. Leister, Mrs. Atlee Rebert, Mrs. Bernard Selby and Mrs. LeRoy Bish volunteered to take charge of this portion of the children's party, and other members of the club will be free that evening are invited to assist them. The club voted a \$15 donation to UNICEF.

MEET NEXT NOV. 28

A club member, Mrs. Paul A. Altoff, is serving as the UNICEF chairman this year. She and Mrs. Paul Snyder will be at the school to receive the UNICEF collection boxes which the children will bring along when they attend the party.

Pupils of the Fifth and Sixth Grades of the public and parochial schools will visit the homes of the community on Monday between the time school closes and just

prior to the Halloween party, seeking "tricks or treats for UNICEF." These children attending the party are asked to take the boxes along, unopened in order that the coins will not be lost. Those not attending the party may take their boxes to school the next day. Citizens are asked to receive the children kindly when they are collecting. The boxes which come from headquarters, were prepared for use by the pupils of the special education class at the Maple Ave. School, taught by Mrs. Gertrude Renner.

The next regular meeting of the Community Club will be held Wednesday, November 28, in the social room of the Eagles Home. W. King St. "Table Fashions" will be the theme of the program, which will be in charge of Mrs. Marvin F. Breighner, chairman, Mrs. George Schaefer, Mrs. Walter F. Crouse, Mrs. Clayton L. Evans, Mrs. John Gentzler, Dr. Leah A. Maitland, and Mrs. Alvin J. Groft. The hostess committee includes: Mrs. Robert H. Miller, chairman, Mrs. Anna B. Leach, Mrs. Maurice F. Rider, Mrs. Paul E. Altoff, Mrs. Emerson F. Muller, Mrs. Willis Snyder and Mrs. Robert J. Eckenrode.

U.N. Day Observed At Littlestown HS

A program in commemoration of United Nations Day was presented in the Littlestown Senior High School assembly on Thursday afternoon. The program, which was under the direction of Mrs. Brenda B. Walker, school nurse, opened with a brief explanation of the United Nations, read by Patsy McLaughlin. Carol A. Fox was master of ceremonies and presented Connie Bair, who read a proclamation from Mayor Earl L. Sittes. "A Prayer for Peace" was read by Nancy Mowmaw, followed with an explanation of the meaning of the U. N. flag by JoAnne Cookson.

The Future Nurses Club presented "A Pageant for International Understanding," assisted by the two foreign exchange students of the school, Hisako Ogasa from Japan and Sigrun Bohm from Germany. Mrs. Theresa Eshbach, of the faculty, was accompanist and the pageant narrators were Gloria Bowers and Linda Harner. The cast of characters included: "Three American students, Loraine Reinaman, Diane Crouse, Linda Plunert; Mexico, Karen Hildebrand; Holland, Ellen Miller; Italy, Grace Lunsford; Japan, Hisako Ogasa; Hungary, Jean Gentzler; Arabia, Judy Brown; Germany, Sigrun Bohm; Ireland, Alice Flynn.

Jill Weikert, who spent last year in Germany as an exchange student, spoke to the assembly on the theme "School Days in Germany." The program concluded with the group singing of "My Country is the World" to the tune of "America."

South America Is Topic For Society

The Women's Missionary Society of St. Luke's Union Church, near White Hall, met on Wednesday evening at the church. Mrs. Percell L. Worley was leader and she and her husband showed slides and provided narration for their recent tour of South America. The opening devotions included hymn singing, scripture reading and prayer by the Rev. George Shultz Jr., pastor of the United Church of Christ congregation.

The brief business period was in charge of Mrs. George Shultz Jr., president. Preliminary plans were made to sponsor the annual thank offering service on Sunday,

THE GRIM (Not Grimms) FAIRY TALE

Once upon a time there was a "Head of a Great State" who loved to spend money. He had many friends who loved to spend money. The "Head of State" sent his Tax Collectors out in the highways and the byways and they collected taxes from all the People.

Near the year's end it became evident that he still had not gotten enough money to satisfy him and his friends.

He scratched his head through his thinning gray hair and had an idea. "Ah," he said, "these people will owe some taxes next year too. I'll just collect some in advance."

So the "Head of State" again sent his Tax Collectors out into the highways and the byways and they collected many millions of Pieces of Silver from all the People. These monies were not really due to be paid into the Treasury until the next year.

Then the "Head of State" and his friends had plenty of money to spend and even proudly and gleefully declared a surplus of 16 millions of Pieces of Silver.

It may come as a shock to many of you that the above events happened in our own Great State of Pennsylvania just last June, substantially as told in the above Fairy Tale.

When it became evident that there would be a startling deficit in State funds before the end of the fiscal year, June 30, our State Government collected many millions of dollars not normally paid into the State Treasury until after June 30.

Real Estate Transfer Taxes and Inheritance Taxes were called in so that these receipts would be included in the closing fiscal period.

Sales Taxes normally due on July 31 were collected from Merchants and Small Businesses.

The Liquor Control Board profits account is much too complicated to quote or even understand.

Some of the State payroll payments were deferred until after June 30.

Then our Governor could proudly declare a whopping book surplus.

What surplus? Our next State administration will start off with a Built-in Deficit of many millions of dollars.

HURL GRENADES ON SAIGON'S REPUBLIC DAY

By MALCOLM W. BROWNE

SAIGON, South Viet Nam (AP)—A teen-age Vietnamese boy hurled a grenade into a crowd today at an aircraft exhibit in front of the Saigon City Hall, killing at least four Vietnamese and injuring 38.

Two of the dead were soldiers and two children. Six of the injured were in critical condition. Today was Republic Day, a national holiday, and more grenades were hurled—apparently by the Communist Viet Cong—as the day wore on.

One thrown at a U.S. officers' hotel did not explode. Another exploded in a suburb near the airport, but no casualties were reported.

DEATH VOLUNTEERS

The youth responsible for the fatal blast was believed to be a member of a Viet Cong assassination group known as "Volunteers for Death." He reportedly threw the grenade into a helicopter on display but someone inside the aircraft threw it out.

After the blast the youth broke into a run. Dozens of police and bystanders jumped him and beat him severely before a police van hauled him away.

A second youth found carrying two grenades nearby also was arrested. The blast occurred next to an A-1H fighter plane on display in front of City Hall. Nearby are the U.S. Information Agency building and a U.S. military officers' hotel.

PRESIDENT ABSENT

Vietnamese were packed into the mall looking at the plane, various types of artillery, a tank and a helicopter. The crowds panicked but police restored order quickly.

President Ngo Dinh Diem, whose presidential palace was bombed by two renegade air force pilots Feb. 2, was in his palace half a block away when the bombing took place. An hour earlier Diem had watched from a grand stand during a military parade along the waterfront nearby. He was protected on the stand from exposure to the crowds, who could not see him.

The Communist Viet Cong had been expected to cause trouble on this day, the seventh anniversary of the founding of the South Viet Nam government. U.S. Ambassador Frederick E. Nolting Jr. warned Americans earlier in the week to stay off the streets.

Police and soldiers patrolled the streets. Automobiles and pedestrians alike were barred from streets near the palace.

OPINIONS VARY ON BRIEFINGS BY STATE DEPT.

By BARRY SCHWEID

WASHINGTON (AP)—Several Republicans registered criticism and Democrats countered with charges of political wrangling at secret briefings for congressmen and governors on the Cuban blockade.

"It was something of a rat race," said Sen. Joseph S. Clark, D-Pa., after Thursday's session in New York City. But bipartisan support was noted, too, in this meeting and others in Fort Worth, Tex., Atlanta and Chicago. The sessions were conducted by Defense and State Department officials.

A note of controversy marked the fifth and last meeting in San Francisco today even before it got off the ground. Rep. Thomas M. Pelly R-Wash., said he was passing up the session because "I will not expose myself to more State Department propaganda."

"When I get briefed, I want the truth not a tranquilizer treatment," Pelly said in a statement Thursday. "In the future, when I want information and an intelligence report, I shall go to our Defense Department, not our Department of State."

New York's Republican Gov. Nelson A. Rockefeller—a possible candidate for the presidency in 1964—announced a bipartisan note when he told newsmen: "I think

(the Cuban situation) is exactly the way the President described it three nights ago. I don't see how the President could have put it more forcibly."

But New Jersey's Democratic Gov. Richard J. Hughes said that there was a "deplorable undercurrent of political questions" at the conference. And Clark said it "was constantly interrupted by Republicans making belligerent speeches and arguing with the officials."

"NEED" OVERHAULING
A Republican conferee, Rep. Steven Devonian of New York, reported that "after the briefing this morning I think our whole intelligence setup needs a thorough overhauling. We know less than we should. We certainly don't have the information."

A conflicting view was expressed after the Chicago session by Rep. Henry S. Reuss, D-Wis. The briefing for senators, representatives and governors from 14 central states represented a "first class job of intelligence by American intelligence agencies," he said.

Before the meeting got underway Gov. Norman A. Erbe of Iowa, a Republican, commented: "We should have had a definitive plan on Cuba a year ago, and we wouldn't be having this trouble now."

After the Fort Worth session, which drew officials from seven states, Gov. Orval Faubus of Arkansas said the unanimous opinion was: "Let's don't negotiate and compromise. Let's finish this job."

San Francisco—Super Shell with Platformate has just delivered a mileage bonus of 4.33 percent. Platformate is Super Shell's mileage ingredient. Shell engineers test Super Shell for mileage in many different types of cars, in many different places. Here's how the test above was run. Exactly 250 cc (about half a pint) of a fuel blended without Platformate was fed into the test car's engine. The car was started, accelerated to 30 miles per

hour, then held there until fuel ran out and the car rolled to a stop. Distance: 6186 feet (indicated by dotted line in background). Next, test was repeated, using Super Shell—the same fuel as before but with Platformate added. Precise same volume of fuel. Same car. Same speed. Same driver. Same conditions. Distance: 6454 feet. That's 4.33 percent farther than the car traveled with non-Platformate gasoline.

MILEAGE TEST

New documented tests prove that one of Super Shell's 9 ingredients packs extra mileage into every gallon

THE picture above was snapped a few moments after Super Shell with an extra mileage ingredient called Platformate delivered a mileage bonus of 4.33 percent. That's a typical result from a series of mileage tests Shell engineers recently ran on the outskirts of San Francisco.

The tests compared two gasolines. One was a gasoline Shell scientists purposely blended without Platformate. The other was Super Shell—the same gasoline as before but with Platformate added.

Shell engineers used a 1962 convertible for the tests. You may be driving a similar car right now.

In test after test, Super Shell with Platformate consistently took the car about 4 percent farther than the gasoline blended without Platformate.

NOTE: For more details on these tests, see caption under picture. And for technical data, write to the Shell Oil Company,

50 West 50 Street, New York 20, N. Y.

Platformate gets its name from the platinum re-forming process used to make it.

Pressures up to 600 pounds per square inch and temperatures up to 1000 degrees literally tear petroleum apart. A precious platinum catalyst then helps re-form the petroleum into super-energy components.

RESULT: Platformate can release more energy per gallon than the finest 100-octane aviation gasoline. Your engine can convert extra energy into extra mileage.

Super Shell has 9 ingredients for top performance

Extra mileage is just one part of the top performance story. Super Shell's other ingredients complete the picture. Here's what they are and what they do.

TCP* for power, mileage, longer plug life.

Pentane mix—for fast "warm-up."

Butane—for quick starts.

Anti-knock mix—to resist all kinds of knock.

Alkylate—to help control "high-speed knock."

"Cat-cracked" gasoline—for power.

Anti-icer—added in cold weather to help check carburetor icing stalls.

Gum preventive—to help keep carburetors clean inside.

Super Shell—the gasoline with 9 ingredients for top performance

Give Special Attention To Halloween Costumes

MRS. HELEN D. TUNISON
Extension Home Economist

Make this a happy trick or treat season. A Halloween costume adds mystery and conceals the identity of its wearer, making it a time for guessing and fun. But a Halloween outfit also can be the cause of an accident which may have been avoided. Each year many children get bruised or burned. Don't let costumes you provide your children be the cause of an accident. Skirts and trousers that are too long and large sheets children may wear to disguise themselves can cause bad falls.

Make it easy for motorists to see the Halloweeners... choose light colored or white costumes. Additional aids for motorists include luminous and reflecting decorations.

Before buying a mask, make sure eyeholes are smoothly finished and large enough to allow the child to see clearly straight ahead and to each side. A mask should be comfortable to wear and made of a nonflammable material.

FOOD FACT AND FAD

Today you hear and read a great deal about foods, diets, and what you should do to be healthy and attractive. But you can't believe all you read and hear. You

must learn to evaluate information and decide if it's correct. If you read that a vegetable juice contains more nutrients than the vegetable, think about this. What has been done to the vegetable? At best it's only a liquid, containing very small particles of the original vegetable. Nothing has been added. How could this juice contain more nutrients than the vegetable?

Consider the so-called perfect food. How many nutrients needed for good nutrition does the food contain? How much of each nutrient does it contain? No food contributes all the essential nutrients in the amounts needed for best health. Instead you need a variety of foods that offer nutrients which work together.

NUTRIENTS FOR DOLLARS

Homemakers make a wise choice when they spend their food dollars on products that supply nutrients needed for growth and body functions. They get a high return for their money.

The right foods play a major role in the health and happiness of each family member. Families can eat nutritious foods on a low-cost food plan. The choices available in each of the four food groups make it possible to select a diet high in vitamins and minerals, using inexpensive foods.

Family members need milk in some form each day. Adults need two cups and children need three or four cups of milk daily to get the amount of calcium and riboflavin required for work and play. Cheese, ice cream and milk in cooked foods can count toward this total.

Citrus fruits and juices are the best sources of ascorbic acid. Dark green and deep yellow vegetables give a high return of vitamin A. Potatoes supply several nutrients including thiamine, ascorbic acid and iron.

Whole grain or enriched cereal products, dry peas, dry beans and nuts are good sources of other necessary nutrients. Meat, poultry fish and eggs supply many of the same nutrients, but cost more than cereal products.

A Lovelier You

CASUAL OR CARELESS? The look of casual fashions seems to have been left entirely to chance, now that separates of

contrasting colors and fabrics are taking the lead from match-mates.

Even classic separates are caught up in the mix-up. A jacket of cranberry velvet is teamed with a pepper-and-salt tweed skirt and a pink silk shirt. Camel suede stole swaths a gray flannel shift.

Among the more adventuresome separates, combinations really run riot. Scarfed in gaudy silk, a white mohair pullover tops black leather pants. A pale blue linen shirt, with an emerald necker-

chief, tucks into bright blue bell-bottoms.

As unpremeditated as those combinations appear, nothing about them was left to chance. They were made for each other. And although disparate at first glance, their fabrics and colors have an affinity that is all the more interesting for being subtle.

From the sights one sees, however, many damsels must believe that anything goes in a casual wardrobe. In this connection we won't even mention the female who gads about in slacks and hair curlers. We'll only consider those who wear a hodge-podge of plaid pants and odd suit jackets. Do they look casual, or just plain

frumpy?

Unless a casual outfit is assembled with as much care as any other, it will look dowdier than any other possibly can. The wearer likewise!

PRESIDENT IS WORKING LONG DAYS IN CRISIS

By HARRY KELLY
WASHINGTON (AP)—In these days of crisis, President Kennedy is putting in 12 and 17 hour days at his desk. A telephone is never more than a step or two away.

Even while he lounges in his rocker chatting with visitors, a telephone dangles from the coffee table near his hand.

The grave challenges of Cuba are taking up about 90 per cent of his time. But those about him say the President is making his decisions coolly and calmly.

TOURISTS KEEP COMING
While the executive mansion and its staff is geared for crisis, it isn't quite on a war-time basis. Tourists still parade through the White House. But now they have to check their purses and packages outside.

Pickets are still permitted to patrol in front of the mansion and they seldom miss a day. Banners of ban-the-bomb groups are the ones most in evidence.

No unusual increase in security has been ordered. The same number of secret service agents are still guarding the President and his family. However, the White House police have been getting some overtime and a few metropolitan police are usually stationed outside the fence.

"NE, VE CENTER"
The crisis has brought late dinners, sleeping in hotels and on coasts and night shifts for some of the President's aides.

In the basement of the executive wing the "situation room"—the nerve center through which filters secret information from all around the world—is manned 24 hours a day by presidential assistants.

It has a huge, complex communication system with closed-circuit television, maps and charts.

SALINGER NEARBY
This situation room is never unmanned but now key officials take turns standing watch at night. The White House press office is also staffed 24 hours a day. Pierre Salinger, press secretary, has taken quarters in a hotel a block away. His assistants, Andrew T. Hatcher and Malcolm Kilduff, spend each other at spending the night in Salinger's office equipped with an army cot.

Added to the extra chores has been a flood of telegrams which

Social Security

Q. If I take my benefit at 63, can my wife also draw if she is 62?

A. Yes. Her benefit will be about 25 per cent less than the payment she would otherwise have been able to collect at age 65.

Q. I have a man working on my farm six months of the year. Do I have to report wages for social security?

A. Yes. If you pay him cash wages of at least \$150 during the year, or if he works for you on a time basis for at least part of 20 days during the year, you must report his earnings for social security purposes.

Q. I hired a man to work on my farm. He lost his social security card and has not been able to furnish his number. What shall I do about reporting his wages for social security?

A. Have your employee visit his nearest social security office and apply for a duplicate social security card. When he has the card, take his number directly from the card for your reports.

Q. If I get disability insurance benefits, will this affect the amount of my retirement benefit when I reach age 65?

A. No, not at all, because disability insurance benefits are figured just as if you had reached 65 on the day your disability began. You receive the same monthly amount as a disability benefit that you will receive when you retire at age 65.

Q. If I earn over \$1,200 during the year I retire, will I lose my social security benefits for the rest of that year?

A. No. Regardless how much you earn in a year, you can still get benefits for any months in which you neither earn over \$100 in wages nor render substantial services in self-employment. Even if you take a job after you retire, you may still be able to get benefits for some months, depending on the amount of your benefit and how much over \$1,200 you earn.

nas poured into the White House since Kennedy's speech Monday night announcing the arm blockade.

Salinger said about 48,000 telegrams have arrived and they run about 22 to 1 in favor of Kennedy's decision.

So far there's been no count of the letters. "We're still digging out from under the telegrams," said Salinger.

ASKS HUNTERS TO HELP STOP WOODS FIRES

HARRISBURG — Forests and Waters Secretary Maurice K. Goddard today directed a special appeal to Pennsylvania's hunters to do their share in preventing forest fires during hunting season.

"Fall hunting season corresponds with one of the two worst fire seasons of the year," Goddard explained, "and unfortunately, most of the fires this time of the year are caused by hunters."

Goddard said that the 1962 spring fire season was one of the worst in many years because of an unbelievable combination of sustained high winds and low humidity in most sections of the Commonwealth.

EXERCISE CAUTION
"It is unlikely that such severe conditions will be repeated this fall," he stated, "but the weather factor is completely unpredictable."

"We can avoid serious forest fires," he warned, "if every Pennsylvanian makes up his mind to exercise extreme caution when in the woods and forests."

Goddard said that he hoped that every man, woman and child in the Commonwealth would lend their cooperation to the Department of Forests and Waters in preventing forest fires during the remainder of 1962.

"Our present goal," he stated, "is to keep the total number of fires this year under the most recent yearly high established in 1952. During that year there were 1653 forest fires in Pennsylvania. Thus far in 1962 there have been approximately 1,300 fires."

NEW YORK (AP)—The Cuban crisis has had no effect on a planned visit to the United States by a Russian basketball team, Dan Ferris of the Amateur Athletic Union said Thursday night.

Ferris said plans are going ahead for the Soviet team to make a U.S. exhibition tour against AAU and NAIA teams, starting with a game against an All-Star team in Madison Square Garden on Nov. 8.

Bill King Dartmouth football captain and quarterback, completed 49 of 98 passes for 711 yards and 10 touchdowns in 1961.

Taneytown

TANEYTOWN — The Ki-Wives met Monday evening at Taney Inn with 18 members and four guests present. President Linda Hopkins presided. Naomi Baumgardner was authorized to promote interest in a first aid course to be given in Taneytown if sufficient interest can be aroused.

Mrs. C. Holly Albaugh, Unionville, Md., displayed pieces of ceramic, porcelain and bisque as part of her talk. Kay Mohney was in charge of the white elephant sale.

Schools will be closed Wednesday afternoon to permit teachers to attend meetings at Westminster.

A card party sponsored by the PTA of Taneytown High School will be held November 1 at 8 o'clock. Parents are asked to contribute prizes, money, candy, or baked goods.

CRISIS SMOULDERS
Western Europe's newspapers greeted with relief the willingness of the United States and the Soviet Union to talk. But many feared the crisis may smoulder for weeks.

Thant announced he would hold separate talks with the United States, the Soviet Union and Cuba, beginning today with U.S. Ambassador Adlai E. Stevenson.

Stevenson indicated to newsmen he would insist on proof that Soviet arms shipments to Cuba will cease and the Soviets will halt the erection of missile bases in Cuba if the three nations agree to meet at the negotiating table.

Thant had proposed a cooling-off period of two or three weeks for negotiations during which the United States would suspend its blockade and the Soviet Union would halt arms shipments to Cuba.

KEEP QUARANTINE
Kennedy's reply, read by Stevenson to the Security Council Thursday, avoided any mention of suspension of the blockade. But White House sources made plain that the quarantine would continue for the time being. They said the U.S. government still insists on the removal of nuclear-capable missiles from Cuba.

Khrushchev accepted Thant's appeal but his agreement to halt arms shipments to Cuba was conditional on U.S. suspension of the blockade.

The Security Council agreed Thursday night to suspend debate indefinitely on the explosive issue pending the talks. During a stormy session, Stevenson and Soviet Deputy Foreign Minister Valerian A. Zorin accused each other of lying and trickery.

CHALLENGES RED
At one point, Stevenson challenged Zorin to give an immediate answer whether the Soviet Union had put medium and intermediate range missiles in Cuba. When Zorin, October president of the council, told him he would have to wait until the proper time for his reply, Stevenson retorted: "I am ready to wait until hell freezes over."

Tie With Detroit Is Moral Victory

BOSTON (AP)—It's come to the point where a tie with unbeaten Detroit is a moral victory in the National Hockey League.

Boston rookie goalie Ed Johnston in his major league debut, Irv Spencer, who scored with 30 seconds left, and Coach Phil Watson were delighted when the Bruins deadlocked the Red Wings 3-3 Thursday night.

It was the only game scheduled. "We were lucky to get a tie," sighed Watson afterward. "It sure helped to have that Gordie Howe off the ice."

The veteran Howe, who had scored his 504th NHL goal and assisted on another, had one second left on a penalty when Spencer jammed the puck under masked veteran Terry Sawchuk, the Detroit netminder who had yielded only six goals in five previous starts.

MEXICAN PLAN FOR WORKERS TO SHARE IN PROFITS SHAKY

By RICHARD DAW

MEXICO CITY (AP) — Juan Tharrá, \$9-a-week factory worker, pushed his wide sombrero back on his head and said wryly:

"All this talk about the government making companies share profits with us workers is just a lot of noise. It'll never happen."

Similar skepticism is common among those supposed to benefit from a constitutional amendment forcing all companies — Mexican and foreign — to turn over part of their profits to employees.

ON SHAKY TIGHTROPE

The plan has been in the works almost a year and no one can say when it will go into effect or exactly how it will work.

President Adolfo López Mateos' government seems to be walking a shaky tightrope. Ideals and political expediency lie on one side, economic reality on the other.

Any measure to put compulsory profit-sharing into effect in too drastic a manner threatens to scare away much-needed foreign and domestic investment capital.

But letting the idea remain only a dream raises the possibility of increased unrest among the mass of low-salaried workers, prime targets for leftist agitation.

ONLY AN IDEA

Much of Mexico's future may rest on the solution that the reform-minded López Mateos comes up with.

The idea of compulsory profit-

sharing was written into the constitution in 1917, but through the years it remained merely an idea.

Last December López Mateos surprised businessmen and workers alike by sending to his obedient congress a constitutional amendment aimed at putting teeth into the idea.

Congress whipped the measure to passage without a dissenting vote. More than the necessary number of state legislatures subsequently approved it. Then, several weeks ago, Congress ratified the legislature's action and sent the amendment back to the president.

SLOWED BY PROTESTS

It becomes law when López Mateos decides to have it published in the official gazette.

The measure's pace has been slowed, however, by protests from worried businessmen and other expressions of concern at home and abroad.

What seems to worry businessmen most about the government's profit-sharing plan is the government control.

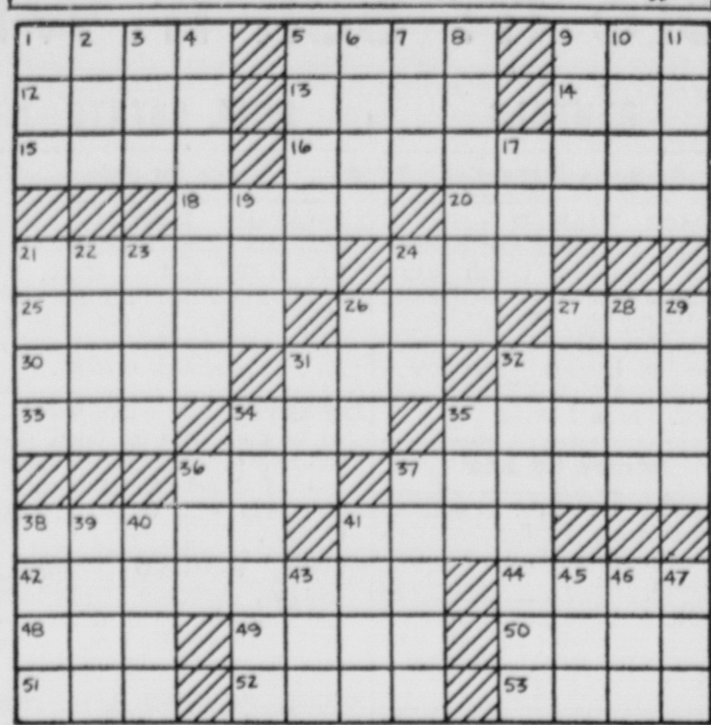

Pressure to put the measure into action is strong, however. Failure to carry through at least in some degree could hurt the government's popularity among workers.

TAKE-OVER BY CITIES IS BIG ISSUE IN OKLA.

GORE, Okla. (AP) — To Ray Fine the cities are like some of his bull calves. He helps them grow big and strong, and then they turn on him.

"We all want to build the cities," he says. "We want them to get bigger and better."

Yesterday's Cryptquip: FROZEN FEET DISTRACT BEDAZZLED FOOTBALL FANATICS.

"But I don't think they are entitled to government on a head count alone. They've got selfish motives. And if they win, it'll be a dark day."

Fine is one of scores of rural

legislators across the nation who are fighting last-ditch battles over reapportionment.

VICTORIES STACK UP

Since the Tennessee decision of the U.S. Supreme Court swung

open the federal courtroom doors last March cities have scored one victory after another in their fight for more voice in state government. But the war isn't over.

In many ways Fine typifies the "country boys" who are bitterly opposed to adjusting legislative lineups to the shifts in population to urban areas.

He represents three counties in the rugged, hill country of eastern Oklahoma—a senatorial district sure to be changed by such action. And he is one of the most powerful men in Oklahoma's rural-dominated legislature.

Fine, 55, lives on a hillside about a mile north of Gore and guards over his 50,000 constituents as closely as he does his 200 head of beef cattle. Some say his people fear him more than the cattle, while others say he's revered like a patron saint because of his efforts to get jobs, welfare checks, roads and other governmental goodies.

Fine's argument against legislative reapportionment is a simple one. The cities have never suffered because country boys control state legislatures, he says, but rural areas will suffer if the cities take over.

In Oklahoma, he said, a city-controlled legislature would cut back the welfare program and raid the rural fund.

Fine says he has helped cities obtain fancy expressways, solve financial problems and get governmental doles. If the tables are turned, he will stop this, he might even post his 552-acre ranch and join others in an economic boycott.

During his 20 years in the Oklahoma Senate, Fine has served both as majority floor leader and president pro tempore. He is a Democrat who has never had a close race.
